Questions and Answers

(1). **Q:** The changes in the bathroom fixtures and their locations will require some ceramic tile work. This is not shown in the drawings nor the specifications. Please clarify.

A: See Note-7 in Drawing CS-2.

(2). **Q:** During the site visit on July 29, 2008, we were advised to remove the sill at the entrance of basement men's shower room. However, this is not shown on the drawings. Please advise.

A: Any sill shall be removed, flush with floor.

(3). **Q:** Drawing A.1 references a detail to be found on drawing AA.1 regarding the ADA shower modifications. However, there is no such detail on drawing AA.1. Please clarify.

A: Details are shown in Drawing ADA.1.

(4). **Q:** The drawings do not include a door and hardware schedule. Please advise.

A: See Note B on Drawing AA.1 and see notes on Drawing AA.3.

(5). **Q:** Our sources indicate that the elevator shop drawings, fabrication, and installation will take more than 90 days to be completed. Please confirm that the timeline can be adjusted accordingly.

A: The 90 day timeline is set based on conversations with elevator manufacturers. We are confident there are elevator manufacturers who can meet this deadline. Any time spent by the contractor beyond the given timeline will be at no additional cost to the District. However, if additional time is required due to no fault of the contractor, the Contractor shall submit to the District, a written request for extension of time with supporting documentation for review and approval by the District.

(6). **Q:** Please advise if parking will be available for our crews in addition to space for a dumpster during construction

A: No parking or dumpster accommodations have been made at this time and will be negotiated with the site and facility manager upon contract award.
