ANSWER 1:

The Contractor shall perform the work in accordance with the Scope of Work in the solicitation under Section C. Please refer to Section I, Paragraph I.12, INCORPORATION AND ORDER OF PRECEDENCE.

QUESTION 2:

Please confirm if following clause is applicable if the bid is less than $100,000.00.

L.16 ACCEPTABLE BID GUARANTEES:

L.16.1 A bid guarantee in the amount of 5% of the bid price is required with bids over $100,000.00. If a bidder fails to provide the required bid guarantee, such failure will require rejection of the bid.

ANSWER 2:

L.16 ACCEPTABLE BID GUARANTEES has been modified to read as follows:

L.16.1 A bid guarantee in the amount of 5% of the bid price is required for all bids. If a bidder fails to provide the required bid guarantee, such failure will require rejection of the bid.

QUESTION 3:

The plant list, listed on sheets L1 thru L-2 DON'T NOT list the plant sizes. I need this information A.S.A.P so that I can price the plant material.

ANSWER 3:

It is advisable for the contractor to follow the scope of work. In the SOW, it's stated that some of the trees that were planted are dying and there are some that were not planted at all. So contractor has to identify and replace the dying plants with the same size and for those that are

not planted refer to the drawing L-1 and L-2 for the sizes. For clarification about the sizes of plants, see L-1 and L-2 of the drawing.

In short, here is what is noted in the SOW:

1. Remove and dispose of all soil, turf, mulch, etc. in other areas to a depth of six (6) inches and reconstruct these areas with soil, soil amendments, turf, and mulch, etc. per construction documents. For affected area see shading on Sheet L-1.

2. Identify and replace all dead and/or dying plants. See, e.g., Sheet L-1 and L-2.
3. Install all plants not yet installed. See, e.g., Sheet L-1 and L-2.

QUESTION 4:

I still have not received the Tree, Shrub, and ground cover sizes of plant material of the project list above. How do you want to proceed?

ANSWER 4:

It's clearly specified in the scope of work under the title "Description of work", Item 3.1/a/4 and 5.
