SECTION B - SUPPLIES OR SERVICE AND PRICE

B.1 The Government of the District of Columbia, through the Office of Contracting and Procurement, on behalf of the Department of Motor Vehicles (DMV) (the District) hereby seeks to extend the current Ticket Processing contract (POKV-2006-C-0064) with ACS State and Local Solutions to provide ticket processing and related services.

B.2 This is a requirements contract for a nine (9) month period with payment based on firm fixed unit prices and with a cost reimbursement component for approved expenses associated with the contract, as set forth in Section B.4 of the Contract.

B.3 PRICE SCHEDULE – REQUIREMENTS

B.4 Cost Reimbursable Component

The District shall reimburse the Contractor for the following direct costs:

1. Postage for mailing notices, excluding collection notices (not to exceed **\$72,917** per month);
2. Fees charged by state motor vehicle agencies for names and addresses of out-of-state violators, excluding fees to obtain names and addresses relative to any ticket assigned to the Contractor for delinquent collections (not to exceed **\$20,833** per month);
3. Costs for radio communications airtime to support mobile data computer interface with the ticket system, including MDTs computer interface used by Boot Crews, ROSA and other DPW equipment and not provided or supported elsewhere in this contract (not to exceed **\$1,500** per month);
4. Supplemental workstations, scanners, check verifiers, and printers requested in writing by the Contracting Officer's Technical Representative (not to exceed **\$3,750** per month);
5. Network cabling for workstation connectivity at existing or additional sites, if requested in writing by the Contracting Officer's Technical Representative (not to exceed **\$1,667** per month);
6. Procurement of automated ticket stock (not to exceed **\$2,083** per month);
and
7. Credit Card transactions (not to exceed **\$141,667** per month);

B.4.1 Total cost reimbursement ceiling for the allowable costs identified in this section shall not exceed **\$244,417** per month. The cost for performing the allowable services or procurements shall not exceed the cost reimbursement ceiling. The Contractor shall notify the Contracting Officer's Technical Representative, in writing, whenever it has reason to believe that the total cost for reimbursable expenditures will be greater than the ceiling.

B.4.2 The District is not obligated to reimburse the Contractor for costs incurred in excess of the cost reimbursement ceiling and the Contractor is not obligated to continue performance of services or procurements subject to cost reimbursement that are in excess of the contract reimbursement ceiling until the Contracting Officer notifies the Contractor, in writing, that the estimated cost has been increased and provides a revised cost reimbursement ceiling.

- B.4.3 If any cost reimbursement ceiling is increased, any costs the Contractor incurs before the increase that are in excess of the previous cost reimbursement ceiling shall be allowable to the same extent as if incurred afterward, unless the Contracting Officer issues a termination or other notice directing that the increase is solely to cover termination or other specified expenses.
- B.4.4 A change order shall not be considered an authorization to exceed the applicable cost reimbursement ceiling unless the change order specifically increases the cost reimbursement ceiling.
- B.4.5 At any time or times before final payment and two years thereafter, the Contracting Officer may have the Contractor's invoices or vouchers and statements of cost audited. Any payment may be reduced by amounts found by the Contracting Officer not to constitute allowable costs as adjusted for prior overpayments and underpayments.

SECTION C – DESCRIPTION/SPECIFICATIONS/WORK STATEMENT

C.5.6 SPECIAL PROGRAMMING PROJECT REQUIREMENTS

C.5.6.1 Online Adjudication Enhancements

During FY10, a contract modification was approved to implement an online adjudication application. This application, presently operational, allows citizens to complete and submit a hearing form in lieu of an in-person hearing or mail adjudication. A current limitation of this application is that citizens can only submit one ticket on a hearing form. To encourage more participation with this application, citizens should be able to submit arguments on multiple tickets on one form. As more users report their experiences with the application, it is anticipated that additional modifications will be required.

ACS Estimated Labor – 359 hours

C.5.6.2 Interface to ACS Officer Availability Calendar

A pending build for the DMV DESTINY system will provide the ability for users to schedule officers for DUI hearings. However, DESTINY currently lacks officer availability data to implement the program. The ACS system (eTIMS) currently includes an officer availability calendar application that allows users to review available time slots for officer hearings and to make time slot selections. In order for DESTINY to utilize the ACS application for determining available officer time slots, a real time interface must be developed to import officer schedule data from eTIMS.

ACS Estimated Labor – 239 hours

C.5.6.3 Discounted Ticket Fines

A large percentage of issued tickets are either not paid timely or not paid at all. As an incentive to pay timely, ticket recipients will be offered a discount from the fine amount if they pay within a specified period of time, such as 15 days. This will require logic changes for actions dependent on timing.

ACS Estimated Labor – 239 hours

C.5.6.4 Teleconferencing for Officer Hearings

A large percentage of moving ticket hearings result in dismissals due to absence of the issuing officers. Establishing a teleconferencing capability from remote locations should increase hearing participation by the officers and will allow the audio and video to be captured with the ticket record for later viewing.

ACS Estimated Labor - Requirement currently fulfilled

C.5.6.5

Ticket Amnesty Program

As an incentive for paying older outstanding tickets, DMV will implement an amnesty program which will allow customers to pay only the original fine on tickets which meet the established criteria. This will require modifications to eTIMS logic including elimination of the penalty which currently appears on these tickets and reinstatement of the penalty at the conclusion of the amnesty period. It will also require file synchronization with the collection contractor to ensure that payments result in closed tickets rather than partially paid tickets.

ACS Estimated Labor – 299 hours

C.5.6.6

ROSA Exemption without Issuance of Warnings

The DC Municipal Regulations requires that an owner or operator of a vehicle who is not a DC resident and who is operating his or her vehicle in the District must, after a continuous 30-day period, either comply with DMV regulations requiring registration and licensing, or obtain a reciprocity permit. 15 days after the first sighting, an officer must issue a warning instructing the vehicle owner that in another 15 days, the owner is required to obtain a DC registration, obtain a reciprocity permit, or demonstrate that the vehicle is not in violation of District motor vehicle licensing and registration laws, regulations and rules. An exemption from the regulations can be issued for a one year period upon presentation of required documents. Currently, citizens must wait until a warning ticket is received before visiting DMV to obtain an exemption. To allow citizens to seek an immediate exemption, software changes would be required to create a record for a ROSA exemption without a prior warning ticket.

ACS Estimated Labor – 120 hours

C.5.6.7

Zone Non-metered Parking

MPD requires a feature on its hand-held computer software application, supported by ACS that would allow time tracking in a parking zone.

ACS Estimated Labor – 52 hours

C.5.6.8

Court Calendar Maintenance Enhancement

As noted above, eTIMS maintains a court calendar function for officer scheduling. This function allows selection of three officer time slots. There is a need to add a fourth.

ACS Estimated Labor – 85 hours

LIVING WAGE ACT FACT SHEET

The “Living Wage Act of 2006,” Title I of D.C. Law 16-18, (D.C. Official Code §§2-220.01-.11) became effective June 9, 2006. It provides that District of Columbia government contractors and recipients of government assistance (grants, loans, tax increment financing) in the amount of \$100,000 or more shall pay affiliated employees wages no less than the current living wage rate.

Effective January 1, 2010, the living wage rate is \$12.50 per hour.

Subcontractors of D.C. government contractors who receive \$15,000 or more from the contract and subcontractors of the recipients of government assistance who receive \$50,000 or more from the assistance are also required to pay their affiliated employees no less than the current living wage rate.

“Affiliated employee” means any individual employed by a recipient who receives compensation directly from government assistance or a contract with the District of Columbia government, including any employee of a contractor or subcontractor of a recipient who performs services pursuant to government assistance or a contract. The term “affiliated employee” does not include those individuals who perform only intermittent or incidental services with respect to the government assistance or contract, or who are otherwise employed by the contractor, recipient or subcontractor.

Exemptions – The following contracts and agreements are exempt from the Living Wage Act:

1. Contracts or other agreements that are subject to higher wage level determinations required by federal law (i.e., if a contract is subject to the Service Contract Act and certain wage rates are lower than the District’s current living wage, the contractor must pay the higher of the two rates);
2. Existing and future collective bargaining agreements, provided that the future collective bargaining agreement results in the employee being paid no less than the current living wage;
3. Contracts for electricity, telephone, water, sewer or other services provided by a regulated utility;
4. Contracts for services needed immediately to prevent or respond to a disaster or eminent threat to public health or safety declared by the Mayor;
5. Contracts or other agreements that provide trainees with additional services including, but not limited to, case management and job readiness services, provided that the trainees do not replace employees subject to the Living Wage Act;

6. An employee, under 22 years of age, employed during a school vacation period, or enrolled as full-time student, as defined by the respective institution, who is in high school or at an accredited institution of higher education and who works less than 25 hours per week; provided that he or she does not replace employees subject to the Living Wage Act;
7. Tenants or retail establishments that occupy property constructed or improved by receipt of government assistance from the District of Columbia; provided, that the tenant or retail establishment did not receive direct government assistance from the District of Columbia;
8. Employees of nonprofit organizations that employ not more than 50 individuals and qualify for taxation exemption pursuant to Section 501 (c) (3) of the Internal Revenue Code of 1954, approved August 16, 1954 (68A Stat. 163; 26. U.S.C. §501(c)(3));
9. Medicaid provider agreements for direct care services to Medicaid recipients, provided, that the direct care service is not provided through a home care agency, a community residence facility, or a group home for mentally retarded persons as those terms are defined in section 2 of the Health-Care and Community Residence Facility, Hospice, and Home Care Licensure Act of 1983, effective February 24, 1984 (D.C. Law 5-48; D.C. Official Code §44-501); and
10. Contracts or other agreements between managed care organizations and the Health Care Safety Net Administration or the Medicaid Assistance Administration to provide health services.

Enforcement

The Department of Employment Services (DOES) and the D.C. Office of Contracting and Procurement (OCP) share monitoring responsibilities.

If you learn that a contractor subject to this law is not paying at least the current living wage you should report it to the Contracting Officer.

If you believe that your employer is subject to this law and is not paying you at least the current living wage, you may file a complaint with the DOES Office of Wage – Hour, located at 64 New York Ave., NE, Room 3105, (202) 671-1880.

For questions and additional information, contact the Office of Contracting and Procurement at (202) 727-0252 or the Department of Employment Services on (202) 671-1880.

Please note: *This fact sheet is for informational purposes only as required by Section 106 of the Living Wage Act. It should not be relied on as a definitive statement of the Living Wage Act or any regulations adopted pursuant to the law.*

“THE LIVING WAGE ACT OF 2006”

Title I, D.C. Law No. 16-118, (D.C. Official Code §§ 2-220.01-.11)

Effective June 9, 2006, recipients of new contracts or government assistance shall pay affiliated employees and subcontractors who perform services under the contracts no less than the current living wage. Effective January 1, 2010, the living wage rate is \$12.50.

The requirement to pay a living wage applies to:

- All recipients of contracts in the amount of \$100,000 or more; and, all subcontractors of these recipients receiving \$15,000 or more from the funds received by the recipient from the District of Columbia, and,
- All recipients of government assistance in the amount of \$100,000 or more; and, all subcontractors of these recipients of government assistance receiving \$50,000 or more in funds from government assistance received from the District of Columbia.

“Contract” means a written agreement between a recipient and the District government.

“Government assistance” means a grant, loan or tax increment financing that result in a financial benefit from an agency, commission, instrumentality, or other entity of the District government.

“Affiliated employee” means any individual employed by a recipient who received compensation directly from government assistance or a contract with the District of Columbia government, including any employee of a contractor or subcontractor of a recipient who performs services pursuant to government assistance or contract. The term “affiliated employee” does not include those individuals who perform only intermittent or incidental services with respect to the contract or government assistance or who are otherwise employed by the contractor, recipient or subcontractor.

Certain exceptions may apply where contracts or agreements are subject to wage determinations required by federal law which are higher than the wage required by this Act; contracts for electricity, telephone, water, sewer other services delivered by regulated utility; contracts for services needed immediately to prevent or respond to a disaster or eminent threat to the public health or safety declared by the Mayor; contracts awarded to recipients that provide trainees with additional services provided the trainee does not replace employees; tenants or retail establishments that occupy property constructed or improved by government assistance, provided there is no receipt of direct District government assistance; Medicaid provider agreements for direct care services to Medicaid recipients, provided that the direct care service is not provided through a home care agency, a community residential facility or a group home for mentally retarded persons; and contracts or other agreements between managed care organizations and the Health Care Safety Net Administration or the Medicaid Assistance Administration to provide health services.

Exemptions are provided for employees under 22 years of age employed during a school vacation period, or enrolled as a full-time student who works less than 25 hours per week, provided that other employees are not replaced, and for employees of nonprofit organizations that employ not more than 50 individuals.

Each recipient and subcontractor of a recipient shall provide this notice to each affiliate employee covered by this notice, and shall also post this notice concerning these requirements in a conspicuous site in the place of business.

All recipients and subcontractors shall retain payroll records created and maintained in the regular course of business under District of Columbia law for a period of at least 3 years.

ALL OCCUPATIONS LISTED ABOVE RECEIVE THE FOLLOWING BENEFITS:

HEALTH & WELFARE: \$3.50 per hour or \$140.00 per week or \$606.67 per month

VACATION: 2 weeks paid vacation after 1 year of service with a contractor or successor; 3 weeks after 5 years, and 4 weeks after 15 years. Length of service includes the whole span of continuous service with the present contractor or successor, wherever employed, and with the predecessor contractors in the performance of similar work at the same Federal facility. (Reg. 29 CFR 4.173)

HOLIDAYS: A minimum of ten paid holidays per year, New Year's Day, Martin Luther King Jr's Birthday, Washington's Birthday, Memorial Day, Independence Day, Labor Day, Columbus Day, Veterans' Day, Thanksgiving Day, and Christmas Day. (A contractor may substitute for any of the named holidays another day off with pay in accordance with a plan communicated to the employees involved.) (See 29 CFR 4174)

THE OCCUPATIONS WHICH HAVE NUMBERED FOOTNOTES IN PARENTHESES RECEIVE THE FOLLOWING:

1) COMPUTER EMPLOYEES: Under the SCA at section 8(b), this wage determination does not apply to any employee who individually qualifies as a bona fide executive, administrative, or professional employee as defined in 29 C.F.R. Part 541. Because most Computer System Analysts and Computer Programmers who are compensated at a rate not less than \$27.63 (or on a salary or fee basis at a rate not less than \$455 per week) an hour would likely qualify as exempt computer professionals, (29 C.F.R. 541.400) wage rates may not be listed on this wage determination for all occupations within those job families. In addition, because this wage determination may not list a wage rate for some or all occupations within those job families if the survey data indicates that the prevailing wage rate for the occupation equals or exceeds \$27.63 per hour conformances may be necessary for certain nonexempt employees. For example, if an individual employee is nonexempt but nevertheless performs duties within the scope of one of the Computer Systems Analyst or Computer Programmer occupations for which this wage determination does not specify an SCA wage rate, then the wage rate for that employee must be conformed in accordance with the conformance procedures described in the conformance note included on this wage determination.

Additionally, because job titles vary widely and change quickly in the computer industry, job titles are not determinative of the application of the computer professional exemption. Therefore, the exemption applies only to computer employees who satisfy the compensation requirements and whose primary duty consists of:

(1) The application of systems analysis techniques and procedures, including consulting with users, to determine hardware, software or system functional specifications;

(2) The design, development, documentation, analysis, creation, testing or modification of computer systems or programs, including prototypes, based on and

related to user or system design specifications;

(3) The design, documentation, testing, creation or modification of computer programs related to machine operating systems; or

(4) A combination of the aforementioned duties, the performance of which requires the same level of skills. (29 C.F.R. 541.400).

2) AIR TRAFFIC CONTROLLERS AND WEATHER OBSERVERS - NIGHT PAY & SUNDAY PAY: If you work at night as part of a regular tour of duty, you will earn a night differential and receive an additional 10% of basic pay for any hours worked between 6pm and 6am.

If you are a full-time employed (40 hours a week) and Sunday is part of your regularly scheduled workweek, you are paid at your rate of basic pay plus a Sunday premium of 25% of your basic rate for each hour of Sunday work which is not overtime (i.e. occasional work on Sunday outside the normal tour of duty is considered overtime work).

HAZARDOUS PAY DIFFERENTIAL: An 8 percent differential is applicable to employees employed in a position that represents a high degree of hazard when working with or in close proximity to ordnance, explosives, and incendiary materials. This includes work such as screening, blending, dying, mixing, and pressing of sensitive ordnance, explosives, and pyrotechnic compositions such as lead azide, black powder and photoflash powder. All dry-house activities involving propellants or explosives.

Demilitarization, modification, renovation, demolition, and maintenance operations on sensitive ordnance, explosives and incendiary materials. All operations involving regrading and cleaning of artillery ranges.

A 4 percent differential is applicable to employees employed in a position that represents a low degree of hazard when working with, or in close proximity to ordnance, (or employees possibly adjacent to) explosives and incendiary materials which involves potential injury such as laceration of hands, face, or arms of the employee engaged in the operation, irritation of the skin, minor burns and the like; minimal damage to immediate or adjacent work area or equipment being used. All operations involving, unloading, storage, and hauling of ordnance, explosive, and incendiary ordnance material other than small arms ammunition. These differentials are only applicable to work that has been specifically designated by the agency for ordnance, explosives, and incendiary material differential pay.

** UNIFORM ALLOWANCE **

If employees are required to wear uniforms in the performance of this contract (either by the terms of the Government contract, by the employer, by the state or local law, etc.), the cost of furnishing such uniforms and maintaining (by laundering or dry cleaning) such uniforms is an expense that may not be borne by an employee where such cost reduces the hourly rate below that required by the wage determination. The Department of Labor will accept payment in accordance with the following standards as compliance:

The contractor or subcontractor is required to furnish all employees with an adequate number of uniforms without cost or to reimburse employees for the actual cost of the uniforms. In addition, where uniform cleaning and maintenance is made the responsibility of the employee, all contractors and subcontractors subject to this wage determination shall (in the absence of a bona fide collective bargaining agreement providing for a different amount, or the furnishing of contrary affirmative proof as to the actual cost), reimburse all employees for such cleaning and maintenance at a rate of \$3.35 per week (or \$.67 cents per day). However, in those instances where the uniforms furnished are made of "wash and wear" materials, may be routinely washed and dried with other personal garments, and do not require any special treatment such as dry cleaning, daily washing, or commercial laundering in order to meet the cleanliness or appearance standards set by the terms of the Government contract, by the contractor, by law, or by the nature of the work, there is no requirement that employees be reimbursed for uniform maintenance costs.

The duties of employees under job titles listed are those described in the

"Service Contract Act Directory of Occupations", Fifth Edition, April 2006, unless otherwise indicated. Copies of the Directory are available on the Internet. A links to the Directory may be found on the WHD home page at <http://www.dol.gov/esa/whd/> or through the Wage Determinations On-Line (WDOL) Web site at <http://wdol.gov/>.

REQUEST FOR AUTHORIZATION OF ADDITIONAL CLASSIFICATION AND WAGE RATE {Standard Form 1444 (SF 1444)}

Conformance Process:

The contracting officer shall require that any class of service employee which is not listed herein and which is to be employed under the contract (i.e., the work to be performed is not performed by any classification listed in the wage determination), be classified by the contractor so as to provide a reasonable relationship (i.e., appropriate level of skill comparison) between such unlisted classifications and the classifications listed in the wage determination. Such conformed classes of employees shall be paid the monetary wages and furnished the fringe benefits as are determined. Such conforming process shall be initiated by the contractor prior to the performance of contract work by such unlisted class(es) of employees. The conformed classification, wage rate, and/or fringe benefits shall be retroactive to the commencement date of the contract. {See Section 4.6 (C) (vi)} When multiple wage determinations are included in a contract, a separate SF 1444 should be prepared for each wage determination to which a class(es) is to be conformed.

The process for preparing a conformance request is as follows:

- 1) When preparing the bid, the contractor identifies the need for a conformed occupation(s) and computes a proposed rate(s).
- 2) After contract award, the contractor prepares a written report listing in order proposed classification title(s), a Federal grade equivalency (FGE) for each proposed classification(s), job description(s), and rationale for proposed wage rate(s), including information regarding the agreement or disagreement of the authorized representative of the employees involved, or where there is no authorized representative, the employees themselves. This report should be submitted to the contracting officer no later than 30 days after such unlisted class(es) of employees performs any contract work.
- 3) The contracting officer reviews the proposed action and promptly submits a report of the action, together with the agency's recommendations and pertinent information including the position of the contractor and the employees, to the Wage and Hour Division, Employment Standards Administration, U.S. Department of Labor, for review. (See section 4.6(b)(2) of Regulations 29 CFR Part 4).
- 4) Within 30 days of receipt, the Wage and Hour Division approves, modifies, or disapproves the action via transmittal to the agency contracting officer, or notifies the contracting officer that additional time will be required to process the request.
- 5) The contracting officer transmits the Wage and Hour decision to the contractor.
- 6) The contractor informs the affected employees.

Information required by the Regulations must be submitted on SF 1444 or bond paper.

When preparing a conformance request, the "Service Contract Act Directory of Occupations" (the Directory) should be used to compare job definitions to insure that duties requested are not performed by a classification already listed in the wage determination. Remember, it is not the job title, but the required tasks that determine whether a class is included in an established wage determination. Conformances may not be used to artificially split, combine, or subdivide

classifications listed in the wage determination.
