CONTRACTS AND PROCUREMENT ADMINISTRATION

DETERMINATION AND FINDINGS
for
SINGLE AVAILABLE SOURCE PROCUREMENT

Agency: Child and Family Services Agency
Caption: Court-Ordered Monitoring of LaShawn A. v. Gray
Implementation and Exit Plan
Contractor: Center for the Study of Social Policy
Contract No.: DCRL-2013-C-0014

FINDINGS

1. **AUTHORIZATION:**

D.C. Official Code § 2-354.04 and 27 DCMR § and 1702

2. **MINIMUM NEED:**

The Government of the District of Columbia, Child and Family Services Agency (CFSA), has the need for a contractor to provide Court-Ordered Monitoring of the LaShawn A. v. Gray Implementation and Exit Plan. As these services are continually needed by the District, the time frame for performance of the necessary Court-Ordered services shall be October 1, 2013 through September 30, 2014.

3. **ESTIMATED REASONABLE PRICE:**

\$633,000.00

4. **FACTORS WHICH JUSTIFY SOLE SOURCE PROCUREMENT:**

On February 27, 2007, the US District for the District of Columbia approved an Amended Implementation Plan (AIP) that would guide the reform effort through June 2009. In July 2008, Children Rights filed a motion for a finding of contempt for the District failure in many key areas of reform. In December of 2010, after the court reviewed proposals from the District and Children's Rights, the court ordered the adoption of the Implementation and Exit Plan (IEP). The IEP sets forth the outcomes CFSA must maintain and achieve. It also requires the Court-appointed Monitor to produce regular monitoring reports.

The proposed contractor is the only entity capable of meeting the District's minimum need during the proposed period of performance with no mobilization time. Secondly, the

proposed contractor is currently contracted with the District of Columbia, and has the necessary experience, and has demonstrated sufficient capabilities and financial soundness over the last few years which are necessary to provide said services.

Failure to meet the District's minimum need may result in the clinical disruptions and create undue strain for the youth serviced; possibly cause the District to violate the guidelines of the *LaShawn A. v. Gray* Amended Implementation and Exit Plan; and possibly cause the District to violate standing Court Orders restricting the placement of the youth serviced.

DETERMINATION

Based on the above findings and in accordance with the cited authority, I hereby determine that it is not feasible or practical to invoke the competitive bidding process under Section 402 of the Procurement Practices Reform Act of 2010, effective April 8, 2011 (D.C. Law 18-371; D.C. Official Code § 2-354.02). I further find that the contractor listed above is the only available sources that can meet the District's minimum needs. Accordingly, I determine that the District is justified in using the sole source method of procurement.
