Child and Family Services Agency

CONTRACTS AND PROCUREMENT ADMINISTRATION

**DETERMINATION AND FINDINGS FOR
A SOLE SOURCE CONTRACT**

CONTRACT NO.: DCRL-2015-C-0012
CAPTION: Mental Health Services
PROPOSED CONTRACTOR: Crawford Consulting

FINDINGS

1. AUTHORIZATION:

D.C. Official Code § 2-354.04, 27 DCMR 1304 and 1700, 1701

2. MINIMUM NEED:

The District of Columbia, Child and Family Services Agency (CFSA), has the following immediate need:

The District of Columbia, Child and Family Services Agency (CFSA) has a need to provide one-to-one Mental Health services for children and youth who are in the care of CFSA, in order to assist CFSA in maintaining its compliance with the LaShawn A. v. Bowser Implementation Plan.

3. ESTIMATED REASONABLE PRICE:

\$300,000.00

4. FACTORS WHICH JUSTIFY SOLE SOURCE PROCUREMENT:

- (a) The Child and Family Services Agency, as part of the ongoing *LaShawn A v. Bowser* federal litigation, is required to provide services that will enable CFSA youth to successfully transition out of the child welfare system;
- (b) CFSA youth received one-to-one Mental Health services from the proposed Contractor, which was funded by Crime Victims funds. Crime Victims Funds have since been depleted, however, continued clinical services are still necessary for the clients' well-being.
- (c) As a result of the CFSA clients' previous history and trauma, their extreme positive relationships with their therapists, and the transitions between foster and adoptive placements and among Social Workers, it is essential to preserve the clinical relationships the clients have with their current providers so as to ensure continuity of

care; thereby promoting the best interests of the children.

(d) The proposed contractor provides one-to-one Mental Health services for CFSA children and youth that require additional supportive services to stabilize them in the home, school or other community setting. CFSA is often requested to provide one-to-one Mental Health services, and due to the clinical needs of the clients', services may have to be in place within 24 hours of the request. The vendor is currently providing one-to-one Mental Health services for CFSA children and youth, and it will be detrimental to the clients' progress if services are ceased abruptly.

5. CERTIFICATION BY AGENCY HEAD:

I hereby certify that the above findings are true, correct and complete.

6. CERTIFICATION BY CONTRACTING OFFICER

I have reviewed the above findings and certify that they are sufficient to justify the use of the sole source method of procurement under the cited authority. I certify that the notice of intent to award a sole source contract was published in accordance with 27 DCMR 1304 and that no response was received. I recommend that the Chief Procurement Officer approve the use of the sole source procurement method for this proposed contract

DETERMINATION

Based on the above findings and in accordance with the cited authority, I hereby determine that it is not feasible or practical to invoke the competitive bidding process under either Section 402 or 403 of the District of Columbia Procurement Practice Reform Act of 2010 (D.C. Law 18-371; D.C. Official Code §2-354.02 or 2-354.03). Accordingly, I determine that the District is justified in using the sole source method of procurement.
