

**DETERMINATION AND FINDINGS**  
**FOR**  
**SOLE SOURCE PROCUREMENT**

Agency: DC Office of the Chief Technology Officer (OCTO)  
Contract No.: DCTO-2008-C-0135  
Caption: IT Staff Augmentation Services (ITSA)  
Contractor: Optimal Solutions and Technologies, Inc. (OST)

**FINDINGS**

**1. Authority**

D.C. Code Section 2-354.04 and 27 Section DCMR 1304, 1700, and 2005.6 (b)

**2. Minimum Need**

The Office of the Chief Technology Officer (the District) has a need to modify the existing contract with OST in order to include the transition period for the existing contract.

**3. Estimated Fair and Reasonable Price**

The estimated fair and reasonable price to provide the additional required services is Not to Exceed (NTE) \$20,000,000.00. This estimate is based on historical spend data for the current contract.

The period of performance is August 19, 2013 through January 18, 2014.

**4. Facts That Justify a Sole Source Extension:**

- a. OST is the incumbent contractor and has satisfactorily provided the required services.
- b. The current contract expires on August 18, 2013 and does not include an adequate transition period.
- c. In order to allow for an adequate transition, the Contracting Officer intends to modify and extend the current contract for five months. This extension is needed in order to negotiate and execute the transfer of historical data and subcontract information to the new contractor, pursuant to Solicitation Doc105069. The solicitation was issued June 10, 2013.
- d. A market survey was not conducted, as the current contractor, OST is the only source for the information required to ensure a satisfactory transition.

Based on the above facts, OST, Inc is the only company that can provide the services required under the contract.

**5. CERTIFICATION BY AGENCY HEAD:**

I hereby certify that the above findings are true, correct and complete.
