

DETERMINATION AND FINDINGS
FOR
SINGLE AVAILABLE SOURCE

USER AGENCY: Child and Family Services Agency (CFSA)
CONTRACT NO: CFSA-11-C-0018
CAPTION: Unaccompanied Refugee Minors Program
PROPOSED CONTRACTOR: Lutheran Social Services of the National Capital Area
7401 Leesburg Pike
Falls Church, VA 22043

FINDINGS

1. AUTHORIZATION:

27 DCMR 1702, Section 1702.5; D.C. Official Code Section 2-303.05(a)(1)

2. MINIMUM NEED:

The Contractor shall provide residential, foster and social care services to unaccompanied refugee minors in foster care, group home or semi-independent living programs throughout the Washington Metropolitan area. The Contractor shall provide these services for up to 7 unaccompanied refugee minor youths.

3. ESTIMATED REASONABLE COSTS:

\$255,917.90

4. FACT WHICH JUSTIFY SOLE SOURCE PROCUREMENT

The District of Columbia Child and Family Services Agency ("CFSA") intends to enter into an MOU with the District of Columbia's Department of Human Services ("DHS") for participation in the refugee minors program. CFSA and DHS have been working in partnership to create a viable system for wraparound services that will be able to meet the unique needs of children and families served by the refugee minors within the child welfare system and work collaboratively with DHS, and other providers to meet the needs of the children.

Therefore, it is in the best interest of the District to procure, via sole source, the proposed services from Lutheran Social Services of the National Capital Area. The Child and Family Services Agency proposes awarding a sole source contract to the above-referenced vendor.

Additionally, the Contractor referenced above is the only vendor who can meet the District's minimum need without disruption at this time. Second, this provider can ensure the unaccompanied refugee minor youths identified and referred by the United States Citizenship and Immigration Services (USCIS) to CFSA as well as those youths identified as unaccompanied by CFSA and approved placement by the Federal Office of Refugee Resettlement. The Office of Refugee Resettlement (ORR) has also approved a capacity building cost of \$10,050.00 for the purpose of increasing the number of licensed foster homes and supportive services for refugee minors. Lutheran Social Services of the National Capital Area has a well-known success rate in providing unaccompanied refugee minor services to youths to maintain themselves independently in the community. Finally, the provider has experience servicing the target population, which consists of children in the child welfare system.

Failure to do so would negatively impact the District's ability to deliver critical government services.
