

Agency: Child and Family Services Agency
Caption: Court-Ordered Monitoring of LaShawn A. v. Bowser
Final Order and Implementation Exit Plan
Contractor: Center for the Study of Social Policy
Contract No.: DCRL-2016-C-0008

FINDINGS

1. AUTHORIZATION:

D.C. Official Code § 2-354.04 and 27 DCMR 1304 and 1700 - 1701

2. MINIMUM NEED:

The Government of the District of Columbia, Child and Family Services Agency (CFSA) has a continual need for the court appointed monitor to provide ongoing court-ordered monitoring of the LaShawn A. v. Bowser Implementation and Exit Plan. As these services are continually needed by the District, the time frame for performance of the necessary Court-Ordered services shall be October 1, 2015 through September 30, 2016.

3. ESTIMATED REASONABLE PRICE:

\$668,190.00

4. FACTORS WHICH JUSTIFY SOLE SOURCE PROCUREMENT:

On February 27, 2007, the US District for the District of Columbia approved an Amended Implementation Plan (AIP) that would guide the reform effort through June 2009. In July 2008, Children Rights filed a motion for a finding of contempt for the District failure in many key areas of reform. In December of 2010, after the court reviewed proposals from the District and Children's Rights, the court ordered the adoption of the Implementation and Exit Plan (IEP). The IEP sets forth the outcomes CFSA must maintain and achieve. It also requires the Court-appointed Monitor to produce regular monitoring reports. As of May 2015, CFSA had achieved a substantial percentage of the standards as delineated in the IEP.

The proposed Contractor was appointed as the monitor by the court on November 18, 1993 and remains the only entity capable of meeting the District's minimum need during the proposed period of performance with no mobilization time. Secondly, the proposed Contractor is currently contracted with the District of Columbia for this service and has demonstrated the necessary experience, capabilities, and financial soundness over the last few years which are necessary to provide said services.

Failure to meet the District's minimum need may result in the clinical disruptions and create undue strain for the children and youth served, resulting in the District violating the guidelines of the LaShawn A. v. Bowser Amended Implementation and Exit Plan, and placed the District in contempt for violating the standing Court Orders restricting the placement of youth served.
