**FINDINGS**

**1. AUTHORIZATION:**

D.C. Official Code §2-354.04.

**2. MINIMUM NEED:**

The Government of the District of Columbia, Child and Family Agency (CFSA), Office of Youth Empowerment (OYE) is seeking a vendor to extend the ETV database to facilitate day-day program administration, CFSA will have readily available data to better serve youth and create comprehensive reports that assist in evaluation and the continuous improvement of education and career services provided to DC residents.

**\$14,000.00**

**4. FACTS WHICH JUSTIFY SOLE SOURCE PROCUREMENT:**

In 2006, CFSA used the ETV database for access to the system allowing CFSA youth to use the portal to apply for ETV funds and staff to monitor these applications. Additional features are needed to allow CFSA to track demographic information in one portal. CFSA used excel for the last 10 years which is not conducive to its needs. The enhancements features allow the user to accept online applications for new and returning students, foster care verification by authorized CFSA personnel, upload paperwork – toggle forms and store documents in youth's profiles, record checks with disbursement types: tuition, housing, transportation, child care, books and living expenses. The upgrade will also allow CFSA to record youth outcomes for each academic year and record each student's transcript data.
