FINDINGS

1. AUTHORIZATION:

D.C. Official Code §2-354.04, 27 DCMR 1304, 1700 and 1701

2. MINIMUM NEED:

The Government of the District of Columbia, Child and Family Services Agency (CFSA) has a continual need to provide mental health services to children, adolescents and families in its care who have been exposed to traumatic experiences, including domestic violation, neglect, physical abuse and sexual assaults.

3. ESTIMATED FAIR AND REASONABLE COST:

\$203,925.00

4. FACTS WHICH JUSTIFY A SINGLE AVAILABLE SOURCE PROCUREMENT:

The mission of CFSA is to promote the safety, permanent, and well-being of children and families in the District of Columbia Child Welfare Agency. CFSA is mandated pursuant to the Adoption and Safe Families Act of 1997 to exercise its discretion to protect the health and safety of children and families in its care, and the LaShawn A. v. Bowser Implementation and Exit Plan (IEP). Failure to do so would place CFSA in violation of each respective requirement.

- a) The current provider is providing mental health services to CFSA clients, and any disruption of these critical services would severely impact the clients that have been served.
- b) The Contractor has the capability and infrastructure to continue to provide uninterrupted services to these clients.
- c) The Contractor is currently serving CFSA children suffering from attachment issues, sexual trauma and abandonment issues, and they are at a stage in their treatment in which a transition will have negative impact their therapeutic progress and may further hinder permanency.

- d) The Contractor is familiar with the needs and requirements of each respective client and will need no transition period for hiring of staff or training
- e) The contractor has been in compliance with all Federal, State and local Laws currently in effect, are availability to offer these services without disruption.

Therefore, it is in the best interest of CFSA to continue to procure the services, via sole source, with the currently Contractor.
