C.2 BACKGROUND

The District of Columbia Fire and Emergency Medical Services Department (DCFD) is an all-hazards agency providing emergency medical care and transportation (EMS), fire prevention, fire suppression, hazardous material response, and technical rescue services to residents and visitors in the District of Columbia. DCFD also provides protection for special events that are unique to the nation's capital, such as major demonstrations and the Presidential Inauguration. In addition, DCFD provides fire and medical protection for Presidential motorcades and helicopter landings.
