| No. | Solicitation Reference | Question | Response |
|-----|------------------------|---|---|
| 1 | B.3 | What does the Cost Reimbursement component CLIN 0002, 1002, 2002, 3002 and 4002 of the solicitation cover? | See Amendment 0003, Item No. 8 |
| 2 | B.3 | What are the allowable costs for reimbursement? We need a list of the cost restrictions and rate restrictions. [Or, does someone have this or can search for it?] | See Amendment 0003, Item No. 8 |
| 3 | B.3 | Are printing costs included in the budget? | See Amendment 0003, Item No. 8 |
| 4 | B.3 C.5.5 | On page 2, where should the budget for section C.5.5, Graphics and Visuals, be inserted? | See Amendment 0003, Item No. 8 |
| 5 | B.3 C.5.8 | Is paid media an option to include in budget for C.5.8, the advertising plan? | See Amendment 0003, Item No. 8 |
| 6 | B.3 | What are the budget parameters? | See Solicitation DCHC-2010-R-7262, Section G.10 |
| 7 | B.4 H.10.2 | Will offerors proposals be considered responsive or non-responsive if they submit a notarized subcontracting plan that meets the 35% goal with subcontractors who are small businesses but are NOT certified as a small business enterprise by the District of Columbia? H.10.2 seems to indicate that offerors' proposals will be responsive but we want to be sure. | See Section B.4 and H.10.2 |
| 8 | C.5.3.1 | Section C.5.3.1 specifies that a work plan, including a plan for an audit of materials to "identify effective and successful messages," be submitted within 30 days of contract award. However, section C.5.4.1 requires the submission of messages within 30 days of contract award. If we are to develop research-based messages, we will need to develop them after we perform the materials audit and other research and analyze the results. Therefore, shouldn't the due date for submitting messages be changed to within 60 days of contract award? | No. |

| No. | Solicitation Reference | Question | Response |
|-----|------------------------|---|----------------------------------|
| 09 | C.5.4.1 | If the due date for submitting messages under section C.5.4.1 is changed from 30 days to 60 days from contract award, the due date for submitting brand graphics under Section C.5.5.1 must change also because the brand graphics will be based on messaging. Can that due date be changed to 90 days from contract award? | No. |
| 10 | C.5.8 | Regarding media, are you looking for paid, earned, or both? | Both |
| 11 | C.5.10.1 | Section C.5.10.1 calls for submission of "sample" plan effectiveness tool, by which the comprehensive plan can be assessed and evaluated, within 60 days of the contract award. However, the draft advertising plan under section C.5.7.1 is not due until 90 days after contract award. Because the plan effectiveness tool will depend in part on the advertising plan, can the due date for the tool be changed to follow the submission of the advertising plan? If not, should the tool suggest measures of advertising effectiveness simply in generic, hypothetical terms? | No. |
| 12 | C.5.10.1 | Is quantitative or qualitative research a part of C.5.10.1, to help evaluate the impact of the campaign? | See Amendment 0003, Item No. 6. |
| 13 | L.2.1.2 | Should the proposal include efforts to translate the work into languages other than Spanish? | No |
| 14 | L.2.1.2 | L.2.1.2: Section 1: Technical Approach, Parts d. – h. refer to Samples of work. Would you like to see samples we will create for this campaign, or are you referring to past samples of work the Offeror has previously completed for other clients? | See Amendment 0003, Item No. 10. |
| 15 | L.2.1.3 d | In section L.2.1.3d, you say that the "offeror shall submit a minimum three completed past performance evaluation forms." I assume this is intended to be filled out by former | See Amendment A0003, Item No. 11 |

| | | | |
|----|---------|---|--|
| | | clients- not us. Is that correct? | |
| 16 | L.2.1.4 | According to Section L.2.1.4 (Section 3 – Attachments), offerors are required to submit attachments J.3, J.4 and J.7. Can you please confirm that offerors are NOT required to submit the Contractor Experience Questionnaire or the Human Care Agreement Contractor Qualifications Record forms? It helps to be certain. | See Amendment 0003, Item No. 12 |
| 17 | L.2.2 | Do they have any software requirements for the digital file of the Cost Proposal (is pdf or excel ok). | See Amendment 0003, Item No. 13 |
| 18 | L.4 | Regarding the deadline for submitting questions, are the numbers of days mentioned (10) business or calendar days? | See Solicitation DCHC-2010-R-7262, Section I.4 |
| 19 | General | Was there an agency that helped developed Live Well DC? Will this agency be participating in the RFP process? | No Not applicable. |
| 20 | General | Will the contractor roll out the full program in year one and continue the program during years 2-4 or do you want the contractor to use a phased approach, rolling out part of the program each year? | |
| 21 | General | Can you share research that went into the development of the Live Well DC program or share key insights for background purposes? | That information is not available. |
| 22 | General | Why were the 10 tenants for Live Well DC selected as priorities and can you share research that led to the selection of these tenants as priorities? | That information is not available. |
| 23 | General | Do you have existing program messages you want to push forward, or would you want us to create and test messages? If you have existing program messages, can you share research or target audience insights that led to the development of these messages? | No. See Solicitation DCHC-2010-R-7262, Section C.5.4. |
| 24 | General | Because Live Well DC is a long-term campaign, is there greater emphasis on some tenants over others in years 1 and 2? If yes, can you please share the priority tenants with us? | See Amendment 0003, Item No. 5. |
| 25 | General | What do you consider the greatest challenges to activating Live Well DC in DC communities? | The solicitation does not identify greatest challenges to activating Live Well DC. |
