11. BRAND NAME OR EQUAL

- 11.1** As used in this clause, the term “brand name” includes identification of products by make and model.
- 11.2** If items called for by this Invitation for Bids have been identified in the schedule by a “brand name or equal” description, such identification is intended to be descriptive, but not restrictive, and is to indicate the quality and characteristics of products that will be satisfactory. Bids offering “equal” products will be considered for award if such products are clearly identified in the bids and are determined by the District to be equal in all material respects to the brand name products referenced in the Invitation for Bids.
- 11.3** Unless the bidder clearly indicates in his bid that he is offering an “equal” product, his bid shall be considered as offering a brand name product referenced in the Invitation for Bids.
- 11.4** If the bidder proposes to furnish an “equal” product, the brand name, if any, of the product to be furnished shall be inserted in the space provided in the Invitation for Bids, or such product shall be otherwise clearly identified in the bid.
- 11.5** The evaluation of bids and the determination as to equality of the product offered shall be the responsibility of the District and will be based on information furnished by the bidder or identified in his bid as well as other information reasonably available to the purchasing authority. **CAUTION TO BIDDERS:** The District is not responsible for locating or securing any information which is not identified in the bid and not reasonably available to the District.
- 11.6** Accordingly, to insure that sufficient information is available, the bidder must furnish as a part of his bid all descriptive material (such as cuts, illustrations, drawings, or other information) necessary for the District to (i) determine the product offered meets the requirements of the Invitation for Bids, and (ii) establish exactly what the bidder proposes to furnish and what the District would be binding itself to purchasing by making an award. The information furnished may include specific reference to information previously furnished or to information otherwise available to the District.
- 11.7** If the bidder proposes to modify a product so as to make it conform to the requirements of the Request for Quotation, he shall (i) include in his bid a clear description of such proposed modifications, and (ii) clearly mark any descriptive material to show the proposed modifications.
- 11.8** Modifications proposed after bid opening to make a product conform to a brand name product referenced in the Invitation for Bids will not be considered.

12. REQUIREMENT FOR DESCRIPTIVE LITERATURE

- 12.1 Descriptive literature must be furnished as a part of a bid and must be received before the time set for opening bids. The literature furnished must be identified to show the items in the bid to which it pertains. The descriptive literature is required to establish, for the purpose of bid evaluation and award, details of the products the bidder proposes to furnish as to design, material, quality, construction and performance characteristics.
- 12.2 Failure of descriptive literature to show that the product offered conforms to the specifications and other requirements of this invitation for bids may require rejection of the bid. Failure to furnish the descriptive literature by the time and date set for receipt of bids will require rejection of the bid, except that if the materials are transmitted by mail and received late, it may be considered under the provision for considering late bids, as set forth elsewhere in this invitation for bids. The Contracting Officer may waive the requirement for furnishing descriptive literature if either of the following occurs:
 - 12.1.2 Bidder states in the bid that the product being offered is the same as a product previously or currently being furnished to the District; or
 - 12.1.3 The Contracting Officer, on advice of technical personnel determines that the product offered by the bidder complies with the specification requirements of the current invitation for bids.
