

NOTICE OF CANCELLATION OF SOLICITATION

INVITATION FOR BIDS NO. DCKA-2015-B-0042

D.C. Power Line Undergrounding (DC PLUG) – Civil Construction
for Feeder 308

The District has cancelled the above-referenced solicitation. The District is revising its specifications to reflect additional information related to the anticipated cost of the work required and the program as a whole, and plans to resolicit the requirement once those revisions and updated cost estimates have been completed.”
