RE: Solicitation Number: DCKT-2008-B-0046

3. Section C.3.1 Change, Black and White copier minimum specification:  
Volume, CLIN 3, minimum from 275,000 to 55,000.

4. F.4.4 Delete in its entirety and replace with the following:

**Machine Evaluation Period:** District agencies will evaluate the performances of newly installed machines within 30 calendar days after installation. If there are no problems with the newly installed machine the COTR required to pay for the machine within the time limits set by District Statute. However, if COTR is experiencing problems with the machine, the COTR need not pay for the machine until the problems have been resolved. If machine performance is unacceptable or if the machine is not capable of handling the copy print volume specified, the Contractor must either provide a new replacement machine at no added cost or cancel the purchase agreement for that location. The Contractor may be billed any costs associated with the re-procurement. If the new replacement machine has unacceptable performance or is not capable of handling the volume the COTR may return the machine and cancel the Purchase Order at no cost to the District.

5. Response to Contractor Questions;

1. CLIN 0005 This item is not being traded against any product. It is a stand-alone item and the District expects "Value" for this item. Bidders must provide pricing for all items in this solicitation to be considered responsive.

2. Please provide the total meter readings and the age of current color equipment and if possible for B/W equipment also.

Response: The color equipment is 5 years old; the color meter reading is 2,131,900; and the B/W meter reading is 143,700. The B/W equipment is 5 years old and the total meter reading is 3,289,000.

3. Please confirm if Fiery controller is only required on the color equipment and not on B/W equipment.

Response: The Fiery controller is required on both the color equipment and the B/W equipment

6. B.4.2 Delete in its entirety.
