L.2 PREPARATION AND SUBMISSION OF BIDS

L.2.1 Bidders shall submit a signed original and three (3) copies. The District will not accept a facsimile copy of a bid as an original bid. All items accepted by the District, all pages of the Invitation for Bids (IFB), all attachments and all documents containing the bidder's offer shall constitute the formal contract. **Each bid shall be submitted as specified in Section A.3 in a sealed envelope conspicuously marked: "Bid in Response to Solicitation No. DCKT-2011-B-0003, Automated Retrieval Storage System"**.

L.2.2 The original bid shall govern if there is a variance between the original bid and the copy submitted by the bidder. Each bidder shall return the complete solicitation as its bid.

L.2.3 The District may reject as non-responsive any bid that fails to conform in any material respect to the IFB.

L.2.4 The District may also reject as non-responsive any bids submitted on forms not included in or required by the solicitation. Bidders shall make no changes to the requirements set forth in the solicitation.

L.2.5 The bidder must bid on all CLINs to be considered for this award. Failure to bid on all CLINs in section B.4 will render the bid non-responsive and disqualify a bid. The bidders shall include a breakdown of the lump sum project price showing the cost for labor, materials, demolition/removal, painting, electrical, software and training.

L.2.6 The bidder must submit with its bid, descriptive literature regarding the proposed storage system to be install that demonstrates that the proposed products meet or exceed the requirements. Refer to sections L.19 and L.20.

L.2.7 The bidder must submit with its bid, a proposed floor plan showing the layout of the storage system and shelving which is capable of holding, at minimum, the volume capacity and

structural strength of the current systems. The bidder should indicate any excess capacity the system may have.

L.3 FAMILIARIZATION WITH CONDITIONS

L.3.1 Bidders shall thoroughly familiarize themselves with the terms and conditions of this solicitation, acquainting themselves with all available information regarding difficulties which may be encountered and the conditions under which the work is to be accomplished. Bidders will not be relieved from assuming all responsibility for properly estimating the difficulties and the cost of performing the services required herein due to their failure to investigate the conditions or to become acquainted with all information, schedules and liability concerning the services to be performed.

L.3.2 Bidders shall survey the site and include in its bid price the cost of hoisting the new aisle savers inside the building and removing the existing ones from the current locations. The Bidder shall survey the electrical service, wiring, disconnects, tracks, installation and possible demolition of concrete pads, etc. and ensure there is sufficient load capacity in the locations in the Parts Shop for the new shelving.

- a. The bid or modification was sent by registered or certified mail no later than the fifth (5th) day before the date specified for receipt of bids; or
- b. The bid or modification was sent by mail and it is determined by the CO that the late receipt at the location specified in the solicitation was caused by mishandling by the District after receipt.

L.6.2 Postmarks

The only acceptable evidence to establish the date of a late bid, late modification or late withdrawal sent either by registered or certified mail shall be a U.S. or Canadian Postal Service postmark on the wrapper or on the original receipt from the U.S. or Canadian Postal Service. If neither postmark shows a legible date, the bid, modification or withdrawal shall be deemed to have been mailed late. When the postmark shows the date but not the hour, the time is presumed to be the last minute of the date shown. If no date is shown on the postmark, the bid shall be considered late unless the bidder can furnish evidence from the postal authorities of timely mailing.

L.6.3 Late Submissions

A late bid, late request for modification or late request for withdrawal shall not be considered, except as provided in this section.

L.6.4 Late Modifications

If a prospective bidder has any questions relative to this solicitation, the prospective bidder shall submit the questions in writing to the CO. The prospective bidder shall submit questions no later than **5** days prior to the closing date and time indicated for this solicitation. The District will not consider any questions received less than **5** days before the date set for submission of bids. The District will furnish responses promptly to all prospective bidders. Instead, they should advise the CO, Department of Public Works, 2000 14th Street, NW., 202-671-2200, by letter or postcard whether they want to receive future solicitations for similar requirements. It is also requested that such recipients advise the Contracting Officer, Department of Public Works, of the reason for not submitting a bid in response to this solicitation. Any bid submitted by a partnership must be signed with the partnership name by a general partner with authority to bind the partnership. Any bid submitted by a corporation must be signed with the name of the corporation followed by the signature and title of the person having authority to sign for the corporation. The District must receive the acknowledgment by the date and time specified for receipt of bids. A bidder's failure to acknowledge an amendment may result in rejection of its bid.

L.14 BIDS WITH OPTION YEARS

The bidder shall include option year prices in its bid. A bid may be determined to be nonresponsive if it does not include option year pricing.

L.15 LEGAL STATUS OF BIDDER

Each bid must provide the following information:

L.15.1 Name, address, telephone number and federal tax identification number of bidder;

L.15.2 A copy of each District of Columbia license, registration or certification that the bidder is required by law to obtain. This mandate also requires the bidder to provide a copy of the executed "Clean Hands Certification" that is referenced in D.C. Official Code §47-2862, if the bidder is required by law to make such certification. If the bidder is a corporation or partnership and does not provide a copy of its license, registration or certification to transact business in the District of Columbia, the bid shall certify its intent to obtain the necessary license, registration or certification prior to contract award or its exemption from such requirements; and

L.15.3 If the bidder is a partnership or joint venture, the names and addresses of the general partners or individual members of the joint venture, and copies of any joint venture or teaming agreements.

L.19 BRAND NAME OR EQUAL

- L.19.1** As used in this clause, the term “brand name” includes identification of products by make and model.

- L.19.2 If items called for by this IFB have been identified in the schedule by a “brand name or equal” description, such identification is intended to be descriptive, but not restrictive, and is to indicate the quality and characteristics of products that will be satisfactory. Bids offering “equal” products will be considered for award if such products are clearly identified in the bids and are determined by the District to be equal in all material respects to the brand name products referenced in the IFB.
- L.19.3 Unless the bidder clearly indicates in his bid that he is offering an “equal” product, his bid shall be considered as offering a brand name product referenced in the IFB.
- L.19.4 If the bidder proposes to furnish an “equal” product, the brand name, if any, of the product to be furnished shall be inserted in the space provided in the IFB, or such product shall be otherwise clearly identified in the bid.

- L.19.6 Accordingly, to insure that sufficient information is available, the bidder must furnish as a part of his bid all descriptive material (such as cuts, illustrations, drawings, or other information) necessary for the District to (i) determine the product offered meets the requirements of the IFB, and (ii) establish exactly what the bidder proposes to furnish and what the District would be binding itself to purchasing by making an award. The information furnished may include specific reference to information previously furnished or to information otherwise available to the District.
- L.19.7 If the bidder proposes to modify a product so as to make it conform to the requirements of the IFB, it shall (i) include in its bid a clear description of such proposed modifications, and (ii) clearly mark any descriptive material to show the proposed modifications.
- L.19.8 Modifications proposed after bid opening to make a product conform to a brand name product referenced in the IFB will not be considered.

L.20 REQUIREMENT FOR DESCRIPTIVE LITERATURE

- L.20.1 Descriptive literature must be furnished as a part of a bid and must be received before the time set for opening bids. The literature furnished must be identified to show the items in the bid to which it pertains. The descriptive literature is required to establish, for the purpose of bid evaluation and award, details of the products the bidder proposes to furnish as to design, material, quality, construction and performance characteristics.

L.20.2 Failure of descriptive literature to show that the product offered conforms to the specifications and other requirements of this invitation for bids may require rejection of the bid. Failure to furnish the descriptive literature by the time and date set for receipt of bids will require rejection of the bid, except that if the materials are transmitted by mail and received late, it may be considered under the provision for considering late bids, as set forth elsewhere in this invitation for bids. The Contracting Officer may waive the requirement for furnishing descriptive literature if either of the following occurs:

- A. Bidder states in the bid that the product being offered is the same as a product previously or currently being furnished to the District; or
- B. The CO, on advice of technical personnel determines that the product offered by the bidder complies with the specification requirements of the current invitation for bids.
