SECTION M: EVALUATION FACTORS

M.1 GENERAL CATEGORIES OF LOCAL BUSINESSES, DISADVANTAGED BUSINESSES, RESIDENT BUSINESS OWNERSHIPS OR BUSINESS OPERATIONS IN AN ENTERPRISE ZONE

M.1.1 Preference for Local Businesses, Disadvantaged Businesses, Resident Business Ownerships or Businesses Operation in an Enterprise Zone

a. General Preferences

Under the provisions of D.C. Law 13-169, “Equal Opportunity for Local, Small, or Disadvantaged Business Enterprises Amendment Act of 2000” (the “Act”, as used in this section), the District shall apply preferences in evaluating offers from businesses that are local, disadvantaged, resident business ownership or located in an enterprise zone of the District of Columbia.

For evaluation purposes, the allowable preferences under the Act for this procurement are as follows:

- 1) Four percent reduction in the bid price or the addition of four points on a 100-point scale for a local business enterprise (LBE) certified by the Local Business Opportunity Commission (LBOC);
- 2) Three percent reduction in the bid price or the addition of three points on a 100-point scale for a disadvantaged business enterprise (DBE) certified by the LBOC;
- 3) Three percent reduction in the bid price or the addition of three points on a 100-point scale for a resident business ownership (RBO), as defined in Section 2 (a)(8A) of the Act, and certified by the LBOC; and
- 4) Two percent reduction in the bid price or the addition of two points on a 100-point scale for a business located in an enterprise zone, as defined in Section 2(5) of D.C. Law 12-268 and in 27 DCMR 899, 39 DCR 9087-9088 (December 4, 1992).

Any prime contractor that is a LBE certified by the LBOC will receive a four percent (4%) reduction in bid price for a bid submitted by the LBE in response to an Invitation for Bids (IFB) or the addition of four points on a 100-point scale added to the overall score for bids submitted by the LBE in response to a Request for Proposals (RFP).

Any prime contractor that is a DBE certified by the LBOC will receive a three percent (3%) reduction in the bid price for a bid submitted by the DBE in

response to an IFB or the addition of three points on a 100-point scale added to the overall score for proposals submitted by the DBE in response to a RFP.

Any prime contractor that is a RBO certified by the LBOC will receive a three percent (3%) reduction in the bid price for a bid submitted by the RBO in response to an IFB or the addition of three points on a 100-point scale added to the overall score for proposals submitted by the RBO in response to a RFP.

Any prime contractor that is a business enterprise located in an enterprise zone will receive a two percent (2%) reduction in bid price for a bid submitted by such business enterprise in response to an IFB or the addition of two points on a 100-point scale added to the overall score for proposals submitted by such business in response to a RFP.

b. Preferences for Subcontracting in Open Market Solicitations with No LBE, DBE, RBO Subcontracting Set Aside

The preferences for subcontracting in open market solicitations where there is no LBE, DBE or RBO subcontracting set aside are as follows:

- 1) If the prime contractor is not a certified LBE, certified DBE, certified RBO or a business located in the enterprise in an enterprise zone, the District will award the above-stated preferences by reducing the bid price or by increasing the points proportionally based on the total dollar value of the bid or proposal that is designated by the prime contractor for subcontracting with a certified LBE, DBE, RBO or business located in an enterprise zone.
- 2) If the prime contractor is a joint venture that is not a certified LBE, certified DBE or certified RBO joint venture, or if the prime contractor is a joint venture that includes a business in an enterprise zone but such business located in an enterprise zone does not own and control at least fifty-one percent (51%) of the joint venture, the District will award the above-stated preferences by reducing the bid price or by increasing the points proportionally in the proposal based on the total dollar value of the bid or proposal that is designated by the prime contractor for a certified LBE, DBE, RBO or business located in an enterprise zone, for participation in the joint venture.

For Example:

If a non-certified prime contractor subcontracts with a certified local business enterprise for a percentage of the work to be performed on an RFP, the calculation of the percentage points to be added during evaluation would be according to the following formula:

$$\frac{\text{Amount of Subcontract}}{\text{Amount of Contract}} \times 4^* = \text{Points Awarded for Evaluating LSDBE Subcontracting}$$

***Note: Equivalent of four (4) points on a 100 point scale**

The maximum total preference under the act of this procurement is twelve percent (12%) for bids submitted in response to an IFB or the equivalent of twelve (12) points on a 100-point scale for proposals submitted in response to a RFP. Any prime contractor receiving the full bid price reduction or point addition to its overall score for a particular preference will not receive any additional bid price reduction or points for further participation on a subcontracting level for that particular preference.

However, the prime contractor shall receive a further proportional bid price reduction or point addition on a different preference for participation on a subcontracting level for that different preference. For example, if a LBE prime contractor receives the four percent bid price reduction or the equivalent of four points on a 100-point scale, the LBE prime contractor does not receive a further price reduction or additional points if such contractor proposes subcontracting with an LBE. However, if this same LBE prime contractor proposes subcontracting with a DBE, the LBE prime contractor receives a further proportional bid price reduction or point addition for the DBE participation on the subcontracting level.

M.1.1.1 Preferences for Open Market Solicitation with LBE, DBE or RBO Subcontracting Set Aside

If the solicitation is an open market solicitation with LBE, DBE or RBO subcontracting set-aside, the prime contractor will receive the LBE, DBE or RBO preferences only if it is a certified LBE, DBE or RBO. There shall be no preference awarded for subcontracting by the prime contractor with a LBE, DBE or RBO, even if the prime contractor proposes LBE, DBE, or RBO subcontracting above the subcontracting levels required by the solicitation. However, the prime contractor shall be entitled to the full preference for business located in an enterprise zone if it is a business located in an enterprise zone or a proportional preference if the prime contractor subcontracts with a business located in an enterprise zone.

The maximum total preference under the Act for this procurement is twelve percent (12%) for bids submitted in response to an IFB or the equivalent of twelve (12) points on a 100-point scale for proposals submitted in response to a RFP.

M.1.1.2 Preferences for Certified Joint Ventures Including Local or Disadvantaged Businesses or Resident Business Ownerships

When an LBOC-certified joint venture includes a local business enterprise (LBE), disadvantaged business enterprise (DBE) or a resident business ownership (RBO), and the LBE, DBE or RBO owns and controls at least fifty-one percent (51%) of the venture, the joint venture will receive the preference as if it were a certified LBE, DBE or RBO.

M.1.1.3 Preference for Joint Ventures Including Businesses located in an Enterprise Zone

When a joint venture includes a business located in an enterprise zone, and such business located in an enterprise zone owns and controls at least fifty-one percent (51%) of the venture, the joint venture will receive the preferences as if it were a business located in an enterprise zone.

M.1.1.4 Vendor Submission for Preferences

Any vendor seeking to receive preferences on this solicitation must submit at the time of, and as part of its bid or proposal the following documentation, as applicable to the preference being sought:

a. Evidence of the vendor's, subcontractor's, or joint venture partner's certification or self-certification as a LBE, DBE, or RBO, to include either:

- 1) A copy of all relevant letters of certification from the Local Business Opportunity Commission (LBOC); or
- 2) A copy of the sworn notarized Self-Certification Form prescribed by the LBOC, along with an acknowledgement letter issued by the Director of the LBOC. Businesses with principal offices located outside of the District of Columbia must first be certified as LBEs before qualifying for self-certification.

b. Evidence that the vendor or any subcontractor is located in an enterprise zone.

In order for a bidder to receive allowable preferences under this solicitation, the bidder must include the relevant information as described in subparagraphs (a) and (b) of this clause, as part of its bid.

Refer to J.2.1 for the Self-Certification Package.

In order to receive any preferences under this solicitation, any vendor seeking self-certification must complete and submit the forms to:

Office of Local Business Development
ATTN: LSDBE Certification Program
441 Fourth Street, N.W., Suite 970N
Washington, DC 20001

All vendors are encouraged to contact the Local, Small and Disadvantaged Business Enterprises Certification Program at (202) 727-3900 if additional information is required on certification procedures and requirements.

M.1.1.5 Penalties for Misrepresentation

Any material misrepresentation on the sworn notarized self-certification form could result in termination of the contract, the contractor's liability for civil and criminal action in accordance with the Act, D.C. Law 12-268, and other District laws, including debarment.

M.1.1.6 Local, Small, and Disadvantaged Business Enterprise Subcontracting

When a prime contractor is certified by the Office of Local Business Development as a local, small or disadvantaged business or a resident business ownership, the prime contractor shall perform at least fifty percent (50%) of the contracting effort, excluding the cost of materials, good, and supplies with its own organization resources, and if it subcontracts, fifty percent (50%) of the subcontracting effort, excluding the cost of materials, goods, and supplies shall be with certified local, small or disadvantaged business enterprises and resident business ownerships, unless a waiver is granted by the contracting officer, with prior approval and consent of the Director of the LBOC under the provisions of 27 DCMR 805, 39 DCR 5578-5580 (July 24, 1992).

By submitting a signed bid, the prime contractor certifies that it will comply with the requirements of paragraph (a) of this clause.
