C.4 BACKGROUND

The Metropolitan Police Department currently operates ninety-six (96) CCTV neighborhood crime cameras, eighteen (18) permanent/downtown cameras and a separate network of two hundred and thirty six (236) ShotSpotter acoustic gunshot sensors. The District owns the cameras and ShotSpotter sensors.

ShotSpotter acoustic sensors can determine whether a gunshot is multiple or single, in some cases the caliber of the projectile and can distinguish between gunshots and ambient noise sources such as firecrackers, construction and aircraft

The cameras and ShotSpotters transmit and receive data across assorted wireless spectrum, including but not limited to the 800 megahertz public safety spectrum.

Approximately seventy-five per cent (75%) of the cameras can be viewed remotely. While the great majority of the District's crime cameras have been combined into a network, a limited number of the District's cameras, for a variety of reasons, are "stand-alone". The cameras and the ShotSpotter sensors range in age from four years to less than one year. The locations of the District's Neighborhood Crime Cameras, as well as other information, can be found at:

http://mpdc.dc.gov/mpdc/cwp/view,a,1238,q,541201,mpdcNav_GID,1545,mpdcNav,%7C31748%7C.asp

The 18 permanent/downtown cameras are only turned on during emergencies or for special events. The other 96 cameras operate continuously.

The locations of the ShotSpotter sensors is confidential, but shall be provided to the contractor by MPD, following contract award.

The objective for the contractor selected is to advise the District as to if and how it can best integrate the capabilities and functions of its neighborhood crime cameras and ShotSpotter sensors, creating an efficient, effective and robust surveillance platform for MPD operations that combines the capabilities of both systems.

This procurement action is limited to the contractor's independent analysis, assessment, recommendations, implementation plan and cost estimate. The District, at a later date and at its option, may or may not implement all or parts of the contractor's recommendations in one or more separate procurement actions.

To further promote and protect the contractor's analytic independence and provide maximum flexibility to the District, and as the contractor shall, as part of this effort, develop the design and specifications for implementing its own recommendations, the contractor and its subsidiaries and its subcontractors shall be precluded from bidding or submitting an offer in response to any subsequent solicitation(s) resulting from or related to, this procurement.

C.5 REQUIREMENTS

Upon contract award, MPD shall provide the contractor with a list detailing the locations, make, capabilities and age for all CCTV and ShotSpotter units within the District. The contractor shall 1) evaluate each site and summarize its findings, 2) prepare evaluate and analyze the systems' wireless spectrum, 3) prepare an integrated systems design document incorporating and articulating its findings and recommendations 4) prepare a time-phased implementation planning document and 5) prepare a detailed cost estimate, including recommended hardware and software (if needed) cost estimate to implement its recommendations.

The contractor, at no additional cost to the District, shall prepare and present its findings and recommendations to a panel of MPD IT and command personnel.

These qualities may include, but are not limited to, equipment age and condition, strength and clarity of transmission and reception of wireless signals, physical positioning, elevation, exposure to environmental factors such as wind, moisture, extreme heat and potential or actual sources of electro-magnetic or signal interference (e.g. trees, buildings, radio transmitters, etc.) to ensure optimal performance.
- C.5.2 Wireless Spectrum Analysis** The contractor shall conduct a detailed analysis of MPD's wireless spectrum. Included in this analysis shall be 1) a detailed map illustrating how MPD's wireless spectrum, licensed and un-licensed; is today; including but not limited to, covered and uncovered areas, and other risks, 2) specific improvements, including but not limited to, enhanced encryption and possible use by MPD of the 700 megahertz wireless spectrum, as to how MPD's wireless spectrum may be improved, re-allocated, applied and managed to ensure greater systemic efficiency, reduced electro-magnetic interference, enhanced security and optimal performance and 3) another map illustrating the benefits of the specific improvements recommended to MPD's wireless spectrum.
- C.5.3 Detailed Combined System Design** The contractor shall develop a detailed design for the combined CCTV/ShotSpotter infrastructure, taking into account geographic (i.e. land area, topography, foliage, land-use), technical, equipment and other factors identified by the contractor that may impact the performance, reliability or scalability of the combined systems. The contractor's detailed design may include recommendations for new equipment, enhanced security, more or different locations, procedures and training. SECTION L: INSTRUCTIONS, CONDITIONS AND NOTICES TO OFFERORS

L.1 CONTRACT AWARD

L.1.1 Most Advantageous to the District

The District intends to award a single contract resulting from this solicitation to the responsible offeror whose offer, conforming to this solicitation, is most advantageous to the District, cost or price, technical and other factors, specified elsewhere in this solicitation considered.

L.1.2 Initial Offers

The District may award a contract on the basis of initial offers received, without discussion. Therefore, each initial offer should contain the offeror's best terms from a standpoint of cost or price, technical and other factors.

L.2 PROPOSAL FORM, ORGANIZATION AND CONTENT

One original and five (5) copies of the written proposals shall be submitted in two parts, titled "Technical Proposal" and "Cost and Price Proposal". Proposals shall be typewritten in 12 point font size on 8.5" by 11" bond paper. Telephonic, telegraphic, and facsimile proposals will not be accepted. Each proposal shall be submitted in a sealed envelope conspicuously marked: "Proposal in Response to Solicitation No. [DCTO-1010-R-0075, ShotSpotter/CCTV Assessment, \[Name of Offeror\]](#)".

In addition to their Technical and Cost and Price Proposals, offerors shall include all required supplementary documents, including detailed supporting cost and pricing data, as indicated in Section "J"

Offerors are directed to the specific proposal evaluation criteria found in Section M of this solicitation, Evaluation Factors. The offeror shall respond to each factor in a way that will allow the District to evaluate the offeror's response. The offeror shall submit information in a clear, concise, factual and logical manner providing a comprehensive description of program supplies and services and delivery thereof. The information requested below for the technical proposal shall facilitate evaluation for all proposals. The technical proposal must contain sufficient detail to provide a clear and concise response fully reflecting the manner in which the offeror proposes to fully meet the requirements in Section C.

L.3 PROPOSAL SUBMISSION DATE AND TIME, AND LATE SUBMISSIONS, LATE MODIFICATIONS, WITHDRAWAL OR MODIFICATION OF PROPOSALS AND LATE PROPOSALS

L.3.1 Proposal Submission

Proposals must be submitted no later than Wednesday, **September 22, 2010 at 2:00PM** to:

Office of Contracting and Procurement
Bid Room
441 4th Street, NW, Suite 703 South
Washington, D.C. 20001

Proposals, modifications to proposals, or requests for withdrawals that are received in the designated District office after the exact local time specified above, are "late" and shall be considered only if they are received before the award is made and one (1) or more of the following circumstances apply:

- (a) The proposal or modification was sent by registered or certified mail not later than the fifth (5th) day before the date specified for receipt of offers;
- (b) The proposal or modification was sent by mail and it is determined by the CO that the late receipt at the location specified in the solicitation was caused by mishandling by the District, or
- (c) The proposal is the only proposal received.

L.3.2 Withdrawal or Modification of Proposals

An offeror may modify or withdraw its proposal upon written, telegraphic notice, or facsimile transmission if received at the location designated in the solicitation for submission of proposals, but not later than the closing date and time for receipt of proposals.

L.3.3 Postmarks

The only acceptable evidence to establish the date of a late proposal, late modification or late withdrawal sent either by registered or certified mail shall be a U.S. or Canadian Postal Service postmark on the wrapper or on the original receipt from the U.S. or Canadian Postal Service. If neither postmark shows a legible date, the proposal, modification or request for withdrawal shall be deemed to have been mailed late. When the postmark shows the date but not the hour, the time is presumed to be the last minute of the date shown. If no date is shown on the postmark, the proposal shall be considered late unless the offeror can furnish evidence from the postal authorities of timely mailing.

L.3.4 Late Modifications

A late modification of a successful proposal, which makes its terms more favorable to the District, shall be considered at any time it is received and may be accepted.

L.3.5 Late Proposals

A late proposal, late modification or late request for withdrawal of a proposal that is not considered shall be held unopened, unless opened for identification, until after award and then retained with unsuccessful proposals resulting from this solicitation.

L.4 PRE-PROPOSAL CONFERENCE

A pre-proposal conference will be held at 10:30AM on Wednesday, September 8, 2010 at the:

Office of Contracting and Procurement
441 4th Street NW Suite 700-S
Washington, D.C. 20001

Prospective offerors will be given an opportunity to ask questions regarding this solicitation at the conference. The purpose of the conference is to provide a structured and formal opportunity for the District to accept questions from offerors on the solicitation document as well as to clarify the contents of the solicitation. Attending offerors must complete the pre-proposal conference Attendance Roster at the conference so that their attendance can be properly recorded.

Impromptu questions will be permitted and spontaneous answers will be provided at the District's discretion. Verbal answers given at the pre-proposal conference are only intended for general discussion and do not represent the District's final position. Oral explanations or instructions given by District officials during the pre-proposal conference are not binding. All oral questions must be submitted in writing following the close of the pre-proposal conference no later than the date and time specified in Item L.5 (below) in order for the District to develop its official answers.

L.5 EXPLANATION TO PROSPECTIVE OFFERORS

If a prospective offeror has any questions relating to this solicitation, the prospective offeror shall submit the question in writing to the contact person, identified on page one. **Prospective offerors shall submit their questions no later than Monday, September 13, 2010 at 12:00PM.** The District will not consider any questions received after this.

L.6 FAILURE TO SUBMIT OFFERS

Recipients of this solicitation not responding with an offer should not return this solicitation. Instead, they should advise the CO by e-mail, letter or postcard whether they want to receive future solicitations for similar requirements. It is also requested that such recipients advise the CO of the reason for not submitting a proposal in response to this solicitation. If a recipient does not submit an offer and does not notify the CO that future solicitations are desired, the recipient's name may be removed from the applicable mailing list.

L.7 RESTRICTION ON DISCLOSURE AND USE OF DATA

L.7.1 Offerors who include in their proposal data that they do not want disclosed to the public or used by the District except for use in the procurement process shall mark the title page with the following legend:

"This proposal includes data that shall not be disclosed outside the District and shall not be duplicated, used or disclosed in whole or in part for any purpose except for use in the procurement process.

If, however, a contract is awarded to this offeror as a result of or in connection with the submission of this data, the District will have the right to duplicate, use, or disclose the data to the extent consistent with the District's needs in the procurement process. This restriction does not limit the District's rights to use, without restriction, information contained in this proposal if it is obtained from another source. The data subject to this restriction are contained in sheets (insert page numbers or other identification of sheets)."

L.7.2 Mark each sheet of data it wishes to restrict with the following legend:

"Use or disclosure of data contained on this sheet is subject to the restriction on the title page of this proposal."

L.8 PROPOSALS WITH OPTION PERIODS

The offeror shall include option period prices in its cost and price proposal. An offer may be determined to be unacceptable if it fails to include pricing for the option period(s).

L.9 PROPOSAL PROTESTS

Any actual or prospective offeror or contractor who is aggrieved in connection with the solicitation or award of a contract, must file with the D.C. Contract Appeals Board (Board) a protest no later than ten (10) business days after the basis of protest is known or should have been known, whichever is earlier. A protest based on alleged improprieties in a solicitation which are apparent at the time set for receipt of initial proposals shall be filed with the Board prior to the time set for receipt of initial proposals. In procurements in which proposals are requested, alleged improprieties which do not exist in the initial solicitation, but which are subsequently incorporated into the solicitation, must be protested no later than the next closing time for receipt of proposals following the incorporation. The protest shall be filed in writing, with the Contract Appeals Board, 717 14th Street, N.W., Suite 430, Washington, D.C. 20004. The aggrieved person shall also mail a copy of the protest to the Contracting Officer for the solicitation.

L.10 SIGNING OF OFFERS

The offeror shall sign the offer and print or type its name on the Solicitation, Offer and Award form of this solicitation. Offers signed by an agent shall be accompanied by evidence of that agent's authority, unless that evidence has been previously furnished to the Contracting Officer.

L.11 UNNECESSARILY ELABORATE PROPOSALS

Unnecessarily elaborate brochures or other presentations beyond those sufficient to present a complete and effective response to this solicitation are not desired and may be construed as an indication of the offeror's lack of cost consciousness. Elaborate artwork, expensive paper and bindings, and expensive visual and other presentation aids are neither necessary nor desired.

L.12 RETENTION OF PROPOSALS

All proposal documents will be the property of the District and retained by the District, and therefore will not be returned to the offerors.

L.13 PROPOSAL COSTS

The District is not liable for any costs incurred by the offerors in submitting proposals in response to this solicitation.

L.14 ELECTRONIC COPY OF PROPOSALS FOR FREEDOM OF INFORMATION ACT REQUESTS

In addition to other proposal submission requirements, the offeror must submit an electronic copy of its proposal, redacted in accordance with any applicable exemptions from disclosure in D.C. Official Code §2-534, in order for the District to comply with §2-536(b) that requires the District to make available electronically copies of records that must be made public. The District's policy is to release documents relating to District proposals following award of the contract, subject to applicable FOIA exemption under §2-534(a)(1).

L.15 CERTIFICATES OF INSURANCE

Prior to commencing work, the Contractor shall have its insurance broker or insurance company submit certificates of insurance giving evidence of the required coverage as specified in Section I.8 to:

lindel.reid@dc.gov
202-741-0834

L.16 ACKNOWLEDGMENT OF AMENDMENTS

The offeror shall acknowledge receipt of any amendment to this solicitation (a) by signing and returning the amendment; (b) by identifying the amendment number and date in the space provided for this purpose in Section A, Solicitation, Offer and Award form; or (c) by letter, telegram or e-mail from an authorized negotiator. The District must receive the acknowledgment by the date and time specified for receipt of proposals. An offeror's failure to acknowledge an amendment may result in rejection of its offer.

L.17 BEST AND FINAL OFFERS

If, subsequent to receiving original proposals, negotiations are conducted, all offerors within the competitive range will be so notified and will be provided an opportunity to submit written best and final offers at the designated date and time. Best and final offers will be subject to the Late Submissions, Late Modifications and Late Withdrawals of Proposals provisions of the solicitation. After receipt of best and final offers, no discussions will be reopened unless the CO determines that it is clearly in the District's best interest to do so, e.g., it is clear that information available at that time is inadequate to reasonably justify contractor selection and award based on the best and final offers received. If discussions are reopened, the CO shall issue an additional request for best and final offers to all offerors still within the competitive range.

L.18 LEGAL STATUS OF OFFEROR

Each proposal must provide the following information:

- L.18.1** Name, address, telephone number and federal tax identification number of offeror;
- L.18.2** A copy of each District of Columbia license, registration or certification that the offeror is required by law to obtain. This mandate also requires the offeror to provide a copy of the executed "Clean Hands Certification" that is referenced in D.C. Official Code §47-2862, if the offeror is required by law to make such certification. If the offeror is a corporation or partnership and does not provide a copy of its license, registration or certification to transact business in the District of Columbia, the offer shall certify its intent to obtain the necessary license, registration or certification prior to contract award or its exemption from such requirements; and
- L.18.3** If the offeror is a partnership or joint venture, the names and addresses of the general partners or individual members of the joint venture, and copies of any joint venture or teaming agreements.

L.19 FAMILIARIZATION WITH CONDITIONS

Offerors shall thoroughly familiarize themselves with the terms and conditions of this solicitation, acquainting themselves with all available information regarding difficulties which may be encountered, and the conditions under which the work is to be accomplished. Contractors will not be relieved from assuming all responsibility for properly estimating the difficulties and the cost of performing the services required herein due to their failure to investigate the conditions or to become acquainted with all information, schedules and liability concerning the services to be performed.

L.20 GENERAL STANDARDS OF RESPONSIBILITY

The prospective contractor must demonstrate to the satisfaction of the District its capability in all respects to perform fully the contract requirements; therefore, the prospective contractor must submit the documentation listed below, within five (5) days of the request by the District.

- L.20.1** Evidence of adequate financial resources, credit or the ability to obtain such resources as required during the performance of the contract.

If the available information is insufficient to make a determination of responsibility, the CO shall determine the prospective contractor to be non responsible.

SECTION M - EVALUATION FACTORS

M.1 EVALUATION FOR AWARD

The contract will be awarded to the responsible offeror whose offer is most advantageous to the District, based upon the evaluation criteria specified below. Thus, while the points in the evaluation criteria indicate their relative importance, the total scores will not necessarily be determinative of the award. Rather, the total scores will guide the District in making an intelligent award decision based upon the evaluation criteria.

M.2 TECHNICAL RATING

M.2.1 The Technical Rating Scale is as follows:

Numeric Rating	Adjective	Description
0	Unacceptable	Fails to meet minimum requirements; e.g., no demonstrated capacity, major deficiencies which are not correctable; offeror did not address the factor.
1	Poor	Marginally meets minimum requirements; major deficiencies which may be correctable.
2	Minimally Acceptable	Marginally meets minimum requirements; minor deficiencies which may be correctable.
3	Acceptable	Meets requirements; no deficiencies.
4	Good	Meets requirements and exceeds some requirements; no deficiencies.
5	Excellent	Exceeds most, if not all requirements; no deficiencies.

M.2.2 The technical rating is a weighting mechanism that will be applied to the point value for each evaluation factor to determine the offeror's score for each factor. The offeror's total technical score will be determined by adding the offeror's score in each evaluation factor. For example, if an evaluation factor has a point value range of zero (0) to forty (40) points, using the Technical Rating Scale above, if the District evaluates the offeror's response as "Good," then the score for that evaluation factor is 4/5 of 40 or 32.

If subfactors are applied, the offeror's total technical score will be determined by adding the offeror's score for each subfactor. For example, if an evaluation factor has a point value range of zero (0) to forty (40) points, with two subfactors of twenty (20) points each, using the Technical Rating Scale above, if the District evaluates the offeror's response as "Good" for the first subfactor and "Poor" for the second subfactor, then the total score for that evaluation factor is 4/5 of 20 or 16 for the first subfactor plus 1/5 of 20 or 4 for the second subfactor, for a total of 20 for the entire factor.

M.2.3 TECHNICAL CRITERIA (70 Points)

M.2.3.1 KNOWLEDGE & EXPERIENCE (40 points)

1. Experience in designing and implementing enterprise architectures for law Enforcement Agencies within automated tools using the MPD standard architectural framework (JAVA, ASP.NET) (30 points)
2. Experience designing and implementing high level security infrastructures for state, local and federal entities (10 points)
3. The project leadership has more than 5 years experience managing similar projects (10 points)
4. Other project personnel have relevant experience and skills, per the requirements of in Sections C, (5 points) and
5. The offeror's technical proposal clearly states what each team member is expected to contribute (5 points)

M.2.3.2 PAST PERFORMANCE (10 points)

Offeror shall provide documentation of satisfactory or better performance of similar or like kind contracts completed during the past three (3) years. Contracts listed shall include those entered into with the District of Columbia government, the Federal government, agencies of State and Local governments or private contracts.

M.2.3.3 PROJECT APPROACH (10 points)

The offeror's technical approach should reflect a clear understanding of the project requirements. Specifically, the contractor should discuss its methodology and approach, any unique or specialized capabilities it can apply, and how it plans to manage this project and project resources to meet the government's requirements.

The Evaluation Panel may elect to invite offerors to make an oral presentation of its proposal, and answer any technical questions of the panel members. The panel's questions will consist of standard questions asked of each offeror and specific questions relating to each offeror's proposal.

M.2.3.4 PROPOSED PERSONNEL (10 points)

Resumes demonstrating proposed personnel's relevant experience and skill sets demonstrating that the offeror has proposed sufficient personnel to complete the projects within the timeframe specified.

M.2.4 PRICE CRITERION (30 Points)

The price evaluation will be objective. The offeror with the lowest price will receive the maximum price points. All other proposals will receive a proportionately lower total score. The following formula will be used to determine each offeror's evaluated price score:

$$\frac{\text{Lowest price proposal}}{\text{Price of proposal being evaluated}} \times \text{weight} = \text{Evaluated price score}$$

M.3.3 PREFERENCE POINTS AWARDED PURSUANT TO SECTION M.5.2 (12 Points Maximum)

M.3.4 TOTAL POINTS (112 Points Maximum)

Total points shall be the cumulative total of the offeror's technical criteria points, price criterion points and preference points, if any.

M.4 EVALUATION OF OPTION PERIOD

The District will evaluate offers for award purposes by evaluating the total price for all options as well as the base year. Evaluation of options shall not obligate the District to exercise them.

M.5.2 Maximum Preference Awarded

Notwithstanding the availability of the preceding preferences, the maximum total preference to which a certified business enterprise is entitled under the Act is the equivalent of twelve (12) points on a 100-point scale for proposals submitted in response to this RFP. There will be no preference awarded for subcontracting by the prime contractor with certified business enterprises.

M.6.1 Prompt payment discounts shall not be considered in the evaluation of offers. However, any discount offered will form a part of the award and will be taken by the District if payment is made within the discount period specified by the offeror.

M.6.2 In connection with any discount offered, time will be computed from the date of delivery of the supplies to carrier when delivery and acceptance are at point of origin, or from date of delivery at destination when delivery, installation and acceptance are at that, or from the date correct invoice or voucher is received in the office specified by the District, if the latter date is later than date of delivery. Payment is deemed to be made for the purpose of earning the discount on the date of mailing of the District check.
