STATEMENT OF WORK Informatica Maintenance

C.1 Summary

C.1.1 The Office of Contracting and Procurement with the Office of the Chief Technology Officer requires a contractor to provide maintenance on its Informatica Products. The Informatica products are used to extract, transform and load data from multiple data sources throughout the District and to establish reporting, business intelligence, custom applications, dashboard environments/projects for agency customers.

C.2 PERIOD OF PERFORMANCE

C.2.1 The period of performance is from the date awarded through September 30, 2009 with two (2) one-year options for a total of 3 years.

C.3 TERM OF CONTRACT

C.3.1 The District may extend the term of this contract for a period of one year, or successive fractions thereof, by giving written notice to the Contractor before the expiration of the contract; provided that the District shall give the Contractor a preliminary written notice of its intent to extend at least thirty (30) days before the contract expires. The preliminary notice does not commit the District to an extension. The exercise of this option is subject to the availability of funds at the time of the exercise of this option. The Contracting Officer may waive the thirty (30) day preliminary notice requirement by providing a written

C.3.1.1 If the District exercises this option, the extended contract shall be considered to include this option provision. The price for the option period shall be as specified in the contract under Section: Period of Performance. In compliance with the above terms and conditions of this purchase order, the contractor agrees that if this offer is accepted within 60 days of the date of receipt of offers specified herein, to furnish any or all services which prices have been offered; and, at the price set opposite each item, and delivered at the designated points within the time specified herein.

C.4 ADVISORY AND ASSISTANCE SERVICES

C.4.1 The contract is a “non-personal services contract”. It is therefore, understood and agreed that the contractor and/or the contractor’s employees: (1) shall perform the services specified herein as independent contractors, not as employees of the government. (2) Contractor shall be responsible for their own management and administration of the work required to bear sole responsibility for complying with all technical, schedule, financial requirements or constraints attendant to the performance of this contract. (3) Contractor shall be free from supervision or control by any government employee with respect to the manner or method of performance of the service specified. (4) Contractor shall, pursuant to the government’s right and obligation to inspect, accept or reject work, comply with such general direction of the Project Manager, or the duly authorized

representative of the Project Manager as is necessary to ensure accomplishment of the contract objectives.

C.5 ADMINISTRATION OF THE CONTRACT

C.5.1 The Contracting Officer's Technical Representative (COTR) is responsible for deciding all technical matters pertaining to the contract. All invoices shall be submitted for certification to the COTR. The COTR shall not render final decisions on Contractor employees, modify the terms and conditions of the contract, issue preliminary termination notices (show cause letters or cure notices), or terminate the contract. All such matters are under the authority of the Contracting Officer.
