DC-NET  
STATEMENT OF WORK**

**C.1 SCOPE**

The Office of Contracting and Procurement, on behalf of *Office of the Chief Technology Officer* seeks a vendor to provide general and electrical installation hardware used by DC-NET in the deployment of network equipment to supply communications service to District agencies. This is an ongoing requirement for each new building fiber service is brought into as well as for expanding services within served buildings as agencies grow or new agencies are moved in. Based upon forecasted need and current usage, the requested supply should last 3-4 months. A February 26th, 2010, delivery is required.

Preference should be given to a vendor that is a stocking distributor and can provide ALL of the materials listed as specified, without any substitutions.

This procurement is capital funded for network expansion and new-site construction.
