

**District of Columbia Fiscal Year 2008
Metropolitan Police Department of the District of Columbia (MPD)
Office of the Chief Information Officer**

**STATEMENT OF WORK FOR
THE RECORDS MANAGEMENT SYSTEM (RMS)
AND DATA WAREHOUSE DESIGN TEAM**

1 SUMMARY

- 1.1 The Metropolitan Police Department of the District of Columbia's (MPD) Office of the Chief Information Officer is focused on modernizing the IT infrastructure to provide the Department and its members with systems and information they need to support the community. These new systems will integrate disparate databases into a centralized Records Management System (RMS) that supports the administrative and functional mission of MPD. In order for MPD to modernize its environment, however, it must first integrate legacy and new systems while maintaining data integrity, data retention and optimization of storage. A new Data Warehouse will be the cornerstone of the automated infrastructure. It will allow for consolidated views of enterprise data while optimizing for reporting and analysis.
- 1.2 MPD has developed a comprehensive set of requirements to design and operate a state-of-the-art RMS and Data Warehouse that meet all industry and technical standards. To accomplish these goals, MPD is soliciting the services of one (1) Information/Data Architect and two (2) Business Analysts.
- 1.3 This team will provide MPD with an invaluable service by assisting with the design and implementation of the RMS and the Data Warehouse. MPD is seeking vendors who can provide high-level technical expertise in data management, Extract Transfer Load (ETL) solutions and business intelligence designs.

2 GENERAL SCOPE OF WORK

- 2.1 Contractors shall provide support to the Chief Information Officer and staff in the post-deployment maintenance and performance of heterogeneous information systems, including but not limited to operational database and application systems.
- 2.2 The base period of performance will be 2,000 hours per position not to exceed the period of one year/12 successive months. Work will commence immediately upon award of this contract.

- 2.3 Each contractor shall additionally include one (1) optional 2,000-hour performance period per position in his/her proposal, again not to exceed one additional year/12 successive months. The government shall exercise or not exercise the optional performance periods at the sole discretion of the Contracting Officer Technical Representative (COTR).
- 2.4 Vendors shall invoice on a monthly basis for work performed within the base contract or option period.
- 2.5 Contractors will have a minimum of three years working full-time at a similar position to the one for which they are applying and demonstrate experience in his/her proposal on the tasks outlined in paragraph 3.
- 2.6 Contractors shall maintain a high-availability RMS and Data Warehouse and support all aspects of operations of these projects including daily operations, maintenance and migration of existing data from legacy systems.
- 2.7 Contractors shall assess and document work papers procedures, processes, technical specifications, implementation plans and other relevant information as necessary for the various project components and systems.
- 2.8 Contractors shall document and track system tasks, activities and procedures and provide a weekly report to the MPD Project Management Office (PMO).
- 2.9 Contractors shall interact with District employees, contractors and stakeholders to address matters concerning legacy systems operations and affects on existing business practices.
- 2.10 Contractors shall coordinate with other agencies to evaluate and implement RMS and Data Warehouse requirements against existing interoperability and functional requirements.
- 2.11 Contractors shall design twenty (20) standard reports based upon PMO specifications.
- 2.12 Contractors shall design ten (10) views based upon PMO specifications.
- 2.13 Contractors shall create business cases for crime reports.
- 2.14 Contractors shall create business cases for gun statistics.
- 2.15 Contractors shall create business case analyst for arrests.
- 2.16 Contractors shall configure the Data Warehouse ETL tool to communicate with legacy systems.

- 2.17 Contractors shall configure the business intelligence (BI) system to communicate with legacy systems.
- 2.18 Contractors shall provide five (5) training sessions for users.
- 2.19 Contractors shall provide five (5) training sessions for administrators.
- 2.20 Contractors shall perform an initial data load, and check and evaluate the results.
- 2.21 Contractors shall conduct and/or assist with legacy data cleaning and data mapping.
- 2.22 Contractors shall have a working understanding of current RMS and Data Warehouse technical and industry standards as they relate to overall design, implementation and deployment.
- 2.23 Contractors must be well versed in communicating systems issues and activities.
- 2.24 Contractors shall be able to communicate with both technical and non-technical persons. Contractors must possess high quality and professional interpersonal skills and be able to interface with all levels of management and non-management personnel.
- 2.25 Contractors will meet and confer with MPD and PMO management officials regarding the status of technical assessment activities, problems, issues or conflicts in need of resolution on a semi-monthly basis if not more frequently.

3 CONTRACTOR POSITION REQUIREMENTS

 - 3.2.7 Work efficiently with Microsoft Office products, to include Word, Excel, PowerPoint, Project and Access

4 SCHEDULE

- 4.1 The hours required for this project are based on a 40-hour workweek unless previously approved by the Project Manager or COTR.
- 4.2 Vendors are specifically required to ensure that contract staff adhere to the schedule requirements.

- 4.3 Actual hours worked will not exceed contractual hours; however, the MPD Program Management Office (PMO) may adjust hours as required to effectively manage the project.

5 ADVISORY AND ASSISTANCE SERVICES

- 5.1 The contract is a “nonpersonal” services contract”.
- 5.2 Contractors and/or the Contractor’s employees shall perform the services specified herein as independent contractors, not as employees of the District of Columbia Government.
- 5.3 Contractors shall be responsible for their own management and administration of the work required.
- 5.4 Contractors shall bear sole responsibility for complying with any and all technical, schedule, financial requirements or constraints attendant to the performance of this contract.
- 5.5 Contractors shall be free from supervision or control by any government employee with respect to the manner or method of performance of the service specified.
- 5.6 Contractors and/or the Contractor’s employees shall, pursuant to the government’s right and obligation to inspect, accept or reject work, comply with such general direction of the CO, or the duly authorized representative of the CO as is necessary to ensure accomplishment of the contract objectives.

6 DELIVERY OF WORK PRODUCT/INSTRUCTIONS FROM COTR

- 6.1 Contractors shall follow the procedures and rules of the Government of the District of Columbia, and additional instructions that the MPD COTR may direct.
- 6.2 During performance under this contract and/or at completion of work, contractors shall provide orderly hand-over of work products and deliverables to the MPD COTR, including all documentation, electronic or otherwise, created during performance of the contract. All work product produced under the contract is at all times the property of the District.
- 6.3 Contractors shall ensure that all work is performed on MPD premises, unless otherwise approved in writing by the COTR. Travel costs are not reimbursable and therefore should be included in the contractor’s hourly rate and/or budget.
- 6.4 Unless otherwise specified, contractors shall work during normal business hours.

- 6.5 Contractors shall be specifically responsible for assuring that they have high-end laptops with Window XP Professional and necessary communication equipment.
- 6.6 Contractors shall provide weekly timesheets in formats to be supplied by MPD, reporting all time worked by person's name, days worked, and time worked. Each person is billable only to a maximum of eight (8) hours per day, 40 hours per week unless written prior approval has been issued by the COTR. Contractors must provide timely, necessary information to allow the District to calculate "earned value".
- 6.7 Contractors shall establish and document project goals and optional strategies for their implementation, and support analyses with graphical drawings, charts, and other presentation instruments. MS Project will be the only Project Management Tool used by the contractor.
- 6.8 Contractors shall collect and document project constraints for cost, schedule, and quality.
- 6.9 Contractors shall obtain approval from the Contracting Officer for proposed scope changes.
- 6.10 Throughout the performance of the above items, contractors shall coordinate with District employees and other consultants/contractors employed by the District.
- 6.11 Contractors shall provide sufficient support after submission of deliverables and work products, as necessary to clarify the contents of deliverables to the District.
- 6.12 Every two weeks, contractors shall develop, obtain approval for, and execute a quality control plan; provide periodic senior management supervision of the work in this contract to ensure quality control of the contractor's work; and report findings to District representatives with proposed actions.
- 6.13 Contractors shall continuously monitor the status of their work hereunder and update status, providing District management timely information regarding possible problems and proposed action required to mitigate such problems.
- 6.14 Contractors shall prepare and present weekly reports, throughout the performance of the contractor's work, setting out current and upcoming activities, decisions required and issues of concern.
- 6.15 Contractors shall provide any reports and communications in duplicate and in the format requested by the COTR in line with requirements under paragraph 11 of this SOW.

- 6.16 The District reserves the right to interview and otherwise verify qualifications of proposed contractors and reject any proposed candidates who do not meet the District's requirements. Candidate consultant expertise, relevant background and skills are the primary consideration.
- 6.17 Contractors acknowledge that the District may direct the contractor to remove any contractor staff that the District finds unacceptable, and the contractor shall immediately remove (and replace with new individual satisfactory to the District, if requested) such personnel. Contractor shall notify the District no less than 30 days in advance of any proposed change in personnel associated with this contract. The District reserves the right to review, interview and/or approve any proposed replacement candidates.
- 6.18 Contractors will submit to a criminal background check at their own expense prior to starting work at MPD.

7 Contractor Required Documents

- 7.1 Where documents are required from contractors, five (5) printed copies of written documents or other evidence of deliverables shall be provided to MPD using standard Microsoft Office Suite applications (or other MPD-established project management standards tools), unless otherwise agreed to. The deliverable shall also be accompanied by an electronic copy (on disk or CD or via email) of the document.
- 7.2 If documents are prepared in PowerPoint or other graphical presentation, the deliverable shall include the required formats (printed + electronic copy of originals file) plus an additional electronic file that has been converted to a format suitable for electronic distribution (example PDF format).
- 7.3 Copies shall be filed both with the MPD Program Manager for incorporation into the overall program files and with the COTR as required for delivery verification.

8 Record Retention and Confidentiality

- 8.1 Electronic and paper documents, forms, survey instruments, background materials secured as part of this contract shall be considered the property of the District of Columbia.
- 8.2 Contractors shall periodically review these resource materials with the COTR and establish file and retention plans.
- 8.3 No later than fourteen (14) days before the close-out of the contract, the contractor shall review with the COTR all project-related materials.

- 8.4 Contractors shall treat all MPD-provided data and data gathering on behalf of the MPD as confidential. All data, reports and findings resulting from the tasks in this SOW are the exclusive property of MPD and are not to be shared, or in any way used, published or without written permission from MPD COTR.

ALL OCCUPATIONS LISTED ABOVE RECEIVE THE FOLLOWING BENEFITS:

HEALTH & WELFARE: \$3.24 per hour or \$129.60 per week or \$561.60 per month

VACATION: 2 weeks paid vacation after 1 year of service with a contractor or successor; 3 weeks after 5 years, and 4 weeks after 15 years. Length of service includes the whole span of continuous service with the present contractor or successor, wherever employed, and with the predecessor contractors in the performance of similar work at the same Federal facility. (Reg. 29 CFR 4.173)

HOLIDAYS: A minimum of ten paid holidays per year, New Year's Day, Martin Luther King Jr's Birthday, Washington's Birthday, Memorial Day, Independence Day, Labor Day, Columbus Day, Veterans' Day, Thanksgiving Day, and Christmas Day. (A contractor may substitute for any of the named holidays another day off with pay in accordance with a plan communicated to the employees involved.) (See 29 CFR 4174)

THE OCCUPATIONS WHICH HAVE PARENTHESES AFTER THEM RECEIVE THE FOLLOWING BENEFITS (as numbered):

1) Under the SCA at section 8(b), this wage determination does not apply to any employee who individually qualifies as a bona fide executive, administrative, or professional employee as defined in 29 C.F.R. Part 541. Because most Computer System Analysts and Computer Programmers who are compensated at a rate not less than \$27.63 (or on a salary or fee basis at a rate not less than \$455 per week) an hour would likely qualify as exempt computer professionals, (29 C.F.R. 541.400) wage rates may not be listed on this wage determination for all occupations within those job families. In addition, because this wage determination may not list a wage rate for some or all occupations within those job families if the survey data indicates that the prevailing wage rate for the occupation equals or exceeds \$27.63 per hour conformances may be necessary for certain nonexempt employees. For example, if an individual employee is nonexempt but nevertheless performs duties within the scope of one of the Computer Systems Analyst or Computer Programmer occupations for which this wage determination does not specify an SCA wage rate, then the wage rate for that employee must be conformed in accordance with the conformance procedures described in the conformance note included on this wage determination.

Additionally, because job titles vary widely and change quickly in the computer industry, job titles are not determinative of the application of the computer professional exemption. Therefore, the exemption applies only to computer employees who satisfy the compensation requirements and whose primary duty consists of:

(1) The application of systems analysis techniques and procedures, including consulting with users, to determine hardware, software or system functional specifications;

(2) The design, development, documentation, analysis, creation, testing or modification of computer systems or programs, including prototypes, based on and related to user or system design specifications;

(3) The design, documentation, testing, creation or modification of computer programs related to machine operating systems; or

(4) A combination of the aforementioned duties, the performance of which requires the same level of skills. (29 C.F.R. 541.400).

2) AIR TRAFFIC CONTROLLERS AND WEATHER OBSERVERS - NIGHT PAY & SUNDAY PAY: If you work at night as part of a regular tour of duty, you will earn a night differential and receive an additional 10% of basic pay for any hours worked between 6pm and 6am. If you are a full-time employed (40 hours a week) and Sunday is part of your regularly scheduled workweek, you are paid at your rate of basic pay plus a Sunday premium of 25% of your basic rate for each hour of Sunday work which is not overtime (i.e. occasional work on Sunday outside the normal tour of duty is considered overtime work).

HAZARDOUS PAY DIFFERENTIAL: An 8 percent differential is applicable to employees employed in a position that represents a high degree of hazard when working with or in close proximity to ordinance, explosives, and incendiary materials. This

includes work such as screening, blending, dying, mixing, and pressing of sensitive ordnance, explosives, and pyrotechnic compositions such as lead azide, black powder and photoflash powder. All dry-house activities involving propellants or explosives. Demilitarization, modification, renovation, demolition, and maintenance operations on sensitive ordnance, explosives and incendiary materials. All operations involving regrading and cleaning of artillery ranges.

A 4 percent differential is applicable to employees employed in a position that represents a low degree of hazard when working with, or in close proximity to ordnance, (or employees possibly adjacent to) explosives and incendiary materials which involves potential injury such as laceration of hands, face, or arms of the employee engaged in the operation, irritation of the skin, minor burns and the like; minimal damage to immediate or adjacent work area or equipment being used. All operations involving, unloading, storage, and hauling of ordnance, explosive, and incendiary ordnance material other than small arms ammunition. These differentials are only applicable to work that has been specifically designated by the agency for ordnance, explosives, and incendiary material differential pay.

**** UNIFORM ALLOWANCE ****

If employees are required to wear uniforms in the performance of this contract (either by the terms of the Government contract, by the employer, by the state or local law, etc.), the cost of furnishing such uniforms and maintaining (by laundering or dry cleaning) such uniforms is an expense that may not be borne by an employee where such cost reduces the hourly rate below that required by the wage determination. The Department of Labor will accept payment in accordance with the following standards as compliance:

The contractor or subcontractor is required to furnish all employees with an adequate number of uniforms without cost or to reimburse employees for the actual cost of the uniforms. In addition, where uniform cleaning and maintenance is made the responsibility of the employee, all contractors and subcontractors subject to this wage determination shall (in the absence of a bona fide collective bargaining agreement providing for a different amount, or the furnishing of contrary affirmative proof as to the actual cost), reimburse all employees for such cleaning and maintenance at a rate of \$3.35 per week (or \$.67 cents per day). However, in those instances where the uniforms furnished are made of "wash and wear" materials, may be routinely washed and dried with other personal garments, and do not require any special treatment such as dry cleaning, daily washing, or commercial laundering in order to meet the cleanliness or appearance standards set by the terms of the Government contract, by the contractor, by law, or by the nature of the work, there is no requirement that employees be reimbursed for uniform maintenance costs.

The duties of employees under job titles listed are those described in the "Service Contract Act Directory of Occupations", Fifth Edition, April 2006, unless otherwise indicated. Copies of the Directory are available on the Internet. A links to the Directory may be found on the WHD home page at <http://www.dol.gov/esa/whd/> or through the Wage Determinations On-Line (WDOL) Web site at <http://wdol.gov/>.

REQUEST FOR AUTHORIZATION OF ADDITIONAL CLASSIFICATION AND WAGE RATE {Standard Form

1444 (SF 1444)}

Conformance Process:

The contracting officer shall require that any class of service employee which is not listed herein and which is to be employed under the contract (i.e., the work to be performed is not performed by any classification listed in the wage determination), be classified by the contractor so as to provide a reasonable relationship (i.e., appropriate level of skill comparison) between such unlisted classifications and the classifications listed in the wage determination. Such conformed classes of employees shall be paid the monetary wages and furnished the fringe benefits as are determined. Such conforming process shall be initiated by the contractor prior to the performance of contract work by such unlisted class(es) of employees. The conformed classification, wage rate, and/or fringe benefits shall be retroactive to the commencement date of the contract. {See Section 4.6 (C)(vi)} When multiple wage determinations are included in a contract, a separate SF 1444 should be prepared for each wage determination to which a class(es) is to be conformed.

The process for preparing a conformance request is as follows:

- 1) When preparing the bid, the contractor identifies the need for a conformed occupation) and computes a proposed rate).
- 2) After contract award, the contractor prepares a written report listing in order proposed classification title), a Federal grade equivalency (FGE) for each proposed classification), job description), and rationale for proposed wage rate), including information regarding the agreement or disagreement of the authorized representative of the employees involved, or where there is no authorized representative, the employees themselves. This report should be submitted to the contracting officer no later than 30 days after such unlisted class(es) of employees performs any contract work.
- 3) The contracting officer reviews the proposed action and promptly submits a report of the action, together with the agency's recommendations and pertinent information including the position of the contractor and the employees, to the Wage and Hour Division, Employment Standards Administration, U.S. Department of Labor, for review. (See section 4.6(b)(2) of Regulations 29 CFR Part 4).
- 4) Within 30 days of receipt, the Wage and Hour Division approves, modifies, or disapproves the action via transmittal to the agency contracting officer, or notifies the contracting officer that additional time will be required to process the request.
- 5) The contracting officer transmits the Wage and Hour decision to the contractor.
- 6) The contractor informs the affected employees.

Information required by the Regulations must be submitted on SF 1444 or bond paper.

When preparing a conformance request, the "Service Contract Act Directory of

Occupations" (the Directory) should be used to compare job definitions to insure that duties requested are not performed by a classification already listed in the wage determination. Remember, it is not the job title, but the required tasks that determine whether a class is included in an established wage determination. Conformances may not be used to artificially split, combine, or subdivide classifications listed in the wage determination.
